Product Overview

The Porodo Shave N Drive Multi-Function Car Charger offers a unique combination of charging and grooming inside the car. Equipped with a powerful 30W PD fast charging capability, this device ensures that your devices stay powered while you're on the road. It features a built-in shaving head with six powerful blades, making it convenient for quick grooming during long drives. With a 40-minute working time and an auto shut-off function for safety, the Shave N Drive is designed for those who need a travel-friendly solution. Its one-button operation makes it easy to use, while the sleek design ensures it blends seamlessly into your car's interior. Whether you need to charge your devices or maintain your grooming routine, this multi-functional device is a must-have for travelers.

Motor Speed	6000RPM

Working Time	40 Minutes
Charging Time	60 Minutes
Product Weight	77g
Product Size	33× 33 x103.6mm
Model Number	PDCCR30

Safety Instructions

1. Ensure that the charger is compatible with the voltage and specifications of your vehicle's cigarette lighter socket. Most outlets operate at 12V in cars and 24V in trucks.
2. Before use, check the charger for any damage. Cracks, broken plastic, or damaged wires can be hazardous.
3. Insert and remove the charger gently to avoid damaging the cigarette lighter socket and the charger itself.
4. Do not leave the charger plugged in unnecessarily for long periods, especially during hot weather or when the car is closed and exposed to sunlight. Excessive heat can cause damage or fire.
5. Ensure the devices connected to the charger are compatible with the charger's power and specifications.
6. Avoid contact between the charger and water or moisture. This can cause a short circuit or device failure.
7. If the charger or socket becomes excessively hot during operation, immediately stop use and investigate the cause.

8. When not in use, store the charger in a dry, safe place.
9. Operating the device while driving can distract you and cause an accident.
10. The device should be kept away from children, and should not be operated by those with limited motor or mental abilities, or by individuals without experience in using electronic devices. They should only use it under the supervision of a responsible adult.

LED and Button Functions

NO.	Function	Operation	Description	LED Status
1	Battery Charging	Plug the device in the car cigarette lighter plug.	Charging	The red light means the device is charging and blue light means the device is fully charged.
2	Start Shaving	Press the button.	Press the button to start shaving	Blue light
3	Stop Shaving	Press the button.	Press the button to start shaving	No light

Cleaning Instructions

1. Clean the device only when it is disconnected from the power supply.
2. Unscrew the shaver head in the direction that is shown in the picture.
3. Parts of the product should not be immersed in water.

4. Avoid using sharp tools or aggressive cleaning agents, such as concentrated dish washing liquids, lotions, or scouring pastes.
5. Clean the device with a dry cloth or paper towel. For heavy cleaning, use a slightly dampened cloth. After cleaning, dry the device thoroughly.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
