Product Overview

The Porodo DualPower 102W Car Charger is designed to provide fast and efficient charging on the go. With a total power output of 102W, it features two USB-A and two USB-C ports, allowing you to charge multiple devices simultaneously. The charger supports advanced charging technologies, including PD 30W and QC 18W, ensuring rapid charging speeds for a wide range of devices. Smart charging protocols are integrated to optimize power delivery, making it a reliable and versatile solution for your car. This charger comes with a USB-C to USB-C cable, ensuring compatibility with the latest devices. Whether you're commuting or on a road trip, the Porodo DualPower charger ensures your devices stay powered up efficiently.

Specifications

Input Voltage	24-12V
USB-A1/A2 Output	5V/3A, 9V/2A, 12V/1.5A (QC 18W Max)
USB-C1/C2 Output	5V/3A, 9V/3A, 12V/2.5A (PD 30W Max)
C1 + C2 + A1 + A2 Output	30W + 30W + 18W + 18W
PPS Output	11-3.3V/3A (33W MAX)
Total Output	102W MAX
Model Number	FWC085

Product Features

1. Dual Charging Ports: Equipped with two USB-A ports and two USB-C ports, the charger allows you to charge multiple devices simultaneously, ensuring you stay connected on the go.

- 2. High Power Output:** With a powerful 102W output, this car charger delivers a fast and efficient charging experience for all your devices, including smartphones, tablets, and other electronics.
- 3. Fast Charging Technology:** The charger supports PD (Power Delivery) 30W and QC (Quick Charge) 18W, enabling rapid charging for compatible devices. No more waiting around – get your devices powered up in record time.
- 4. Smart Charging Protocols:** Integrated with advanced smart charging protocols, the charger automatically detects the optimal power requirements for your devices, ensuring safe and efficient charging without overloading.
- 5. USB-C to USB-C Cable:** Included with the charger is a high-quality USB-C to USB-C cable, providing a convenient solution for users.
- 6. Compact and Durable Design:** The sleek and compact design of the charger makes it easy to carry and store in your car. It's built with high-quality materials to withstand daily use and ensure long-lasting performance.
- 7. Universal Compatibility:** This charger is compatible with a wide range of devices, including iPhones, Android smartphones, tablets, and other USB-powered electronics, making it a versatile accessory for any driver.
- 8. Overload and Overheat Protection:** Built with built-in protection mechanisms, this charger prevents overheating and overcharging, keeping both your devices and the charger safe during use.

Safety Precautions

- 1. Avoid Overloading:** Do not exceed the specified power limits (102W) to prevent overheating or damage to your devices and the charger. Ensure that your device is compatible with the charger's output specifications.
- 2. Proper Ventilation:** Make sure the charger has adequate airflow during use. Avoid blocking the charger's ports or ventilation openings to prevent overheating.
- 3. Use Only Compatible Cables:** Always use the included USB-C to Lightning cable or other certified cables. Using non-certified or damaged cables may cause damage to your devices or the charger.
- 4. Disconnect When Not in Use:** Unplug the charger when not in use for extended periods to avoid unnecessary power consumption and to prolong the charger's

lifespan.

5. Avoid Extreme Temperatures: Do not expose the charger to extreme temperatures, either hot or cold, as it may affect the charging performance and lead to malfunction. Store it in a cool, dry place.

6. Inspect Regularly: Regularly check the charger, cables, and connectors for signs of wear or damage. If any part appears frayed, cracked, or otherwise damaged, replace it immediately to ensure safe operation.

7. Do Not Disassemble: The charger contains sensitive components. Do not attempt to disassemble or modify the charger, as this may compromise its safety features and void the warranty.

8. Safe Storage: When storing the charger, ensure that it is in a dry environment, away from moisture or water sources, to prevent short-circuiting or electrical faults.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
