## Product Overview

The Porodo Frostlite Cooling Mini Makeup Fridge with LED Mirror is designed to keep your beauty products cool while offering clear, consistent lighting for makeup and skincare routines. With a 4-liter capacity, it uses thermoelectric cooling to maintain an optimal temperature. The fridge features a low-noise fan, a long lifespan, and a travel-friendly design, making it perfect for use at home or on the go. The integrated LED mirror ensures precise application, adding convenience and style to your daily routine.

## Specifications

Material	PP
Rated Power	22W
Rated Voltage	9V
Rated Frequency	50/60Hz
Capacity	4L
Mirror Size	176 × 259mm
Power Supply	UK 3-Pin Plug
Temperature Range	10-15°C
Product Weight	1.59kg
Product Size	182 × 239 × 270mm
Model Number	PDLFSTC4

## Package Contents

- a. Mini Fridge
- b. AC Connection Cable (Household)

## Safety Precautions

Household Power (AC 110-240V)

1. Ensure that the switch on the back of the cooler is in the OFF position before use.
2. Plug the AC power adapter into the DC socket located at the back of the cooler.
3. Connect the AC adapter to an AC wall outlet.
4. Slide the power switch to the ON position. The green light will turn on, and cooling will begin.

### **Warning and Notice**

1. To prevent the fan from stopping and overheating, which could cause a fire, never cover the fan with any material such as cloth or towels.
2. Ensure that the power cords are securely attached to the unit and plugged properly into the outlet(s).
3. Keep the mini cooler away from flammable items and moisture to avoid possible overheating, fires, or explosions.
4. Do not attempt to open or modify the cooler.
5. Do not rinse with water; use a damp cloth for cleaning.

## Operation Instructions

- a. LED Mirror Operation Instructions
1. Press the touch control switch once for low brightness.

2. Press the switch three times for high brightness.
3. Press the switch four times to turn off the light.
4. The light control follows a loop program, cycling between low, high, and off settings with each press.
5. Adjust the brightness based on your preference for optimal visibility.

#### b. Powering the Mini Fridge

To power your mini fridge, connect the AC power cord to the back of the unit and plug it into a standard power outlet.

#### c. Temperature Guidelines

Please note that the mini fridge does not have a thermostat. The maximum cooling temperature will not drop below 50°F. This is ideal for storing beauty products and beverages but is not suitable for perishable food or prolonged storage of dairy products.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
