Product Overview

The Porodo Tekto USB-C Wall Adapter is designed for fast and efficient charging, offering a 20W output. It features a USB-C port that supports quick charging, ensuring your devices are powered up quickly. The adapter is built with flame-retardant housing for added safety and durability. Its compact design makes it easy to carry and use on the go. The Tekto adapter is ideal for fast charging multiple devices and provides a reliable solution for everyday charging needs.

This product is available in three different bundles:

PDFWCH112BK	TEKTO USB-C WALL ADAPTER	
PDFWCH112CCBK	TEKTO USB-C WALL ADAPTER with 1m USB-C to USB-C Cable	
PDFWCH112CLBK	TEKTO USB-C WALL ADAPTER with 1m USB-C to Lightning Cable	

Specifications

Material	PC
Rated Voltage	AC 110-240V
Rated Frequency	50/60Hz
Rated Current	0.5A Max
USB-C Output	5V/3A, 9V/2.22A, 12V/1.67A, 20W
Plug Type	UK Plug
Product Weight	50g (Adapter)
Product Size	37.5 x 40 x 64.5mm
Model Number	PDFWCH112

Product Features

- a. 20W Fast Charging Output:** The adapter delivers 20W of power, enabling fast charging for your devices, allowing you to quickly power up your phone or other electronics.
- b. USB-C Port for Quick Charging:** It features a USB-C port, which ensures a reliable and fast charging experience, making it compatible with most modern smartphones and devices that support USB-C.
- c. Flame-Retardant Housing:** The adapter is built with flame-retardant housing, providing an added layer of safety and durability, reducing the risk of fire hazards during use.
- d. Compact and Portable Design:** Its compact size makes it easy to carry around, perfect for travel or everyday use. You can easily fit it in your bag or

pocket without taking up much space.

e. Multi-Device Compatibility: The adapter is designed to work with a variety of devices, from smartphones to tablets, offering versatile charging for different types of electronics.

Product Components

Safety Precautions

1. Ensure the adapter is used with devices that are compatible with 20W fast charging.
2. Do not expose the adapter to water or moisture to avoid electrical hazards.
3. Avoid using the adapter in extremely hot or humid environments.
4. Always plug the adapter into a properly grounded outlet.
5. Do not attempt to disassemble or modify the adapter.
6. Keep the adapter away from flammable materials to prevent fire hazards.
7. If the adapter shows signs of damage or malfunction, discontinue use immediately and replace it.
8. Keep out of reach of children to prevent accidental misuse.
9. Keep the charger from impact and avoid dropping it.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference; and

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
