Product Overview

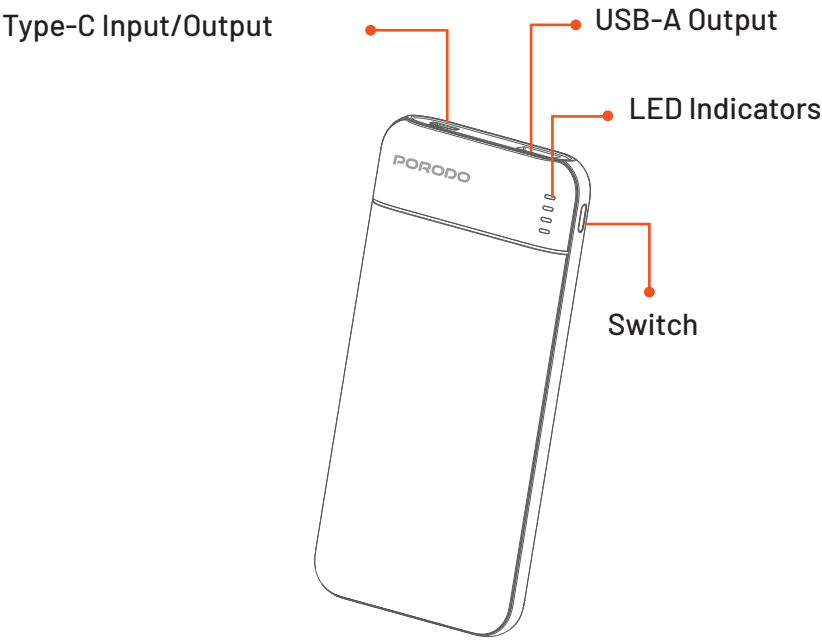

The PORODO Luna 10000mAh Power Bank is a versatile and reliable charging solution designed for users on the go. Featuring USB-C and USB-A ports, this power bank ensures universal compatibility with a wide range of devices. It is equipped with built-in safety features, providing protection during use to prevent overcharging or overheating. The anti-skid function ensures a secure grip, while the LED indicator allows you to monitor the battery status at a glance. Thanks to its Semi-Solid-State Technology, this power bank supports simultaneous charging of multiple devices, making it a convenient choice for those in need of efficient power management.

Specifications

Material	PC+ABS
Battery Capacity	10000mAh, 3.7V/37Wh
USB-C Input	DC 5V/3A, 9V/2A, 18W Max
USB-C Output	DC 5V/3A, 9V/2.22A, 12V/1.67A, 20W Max
PPS	5.0-11.0V/2A
USB-A Output	DC 5V/3A, 9V/2A, 12V/1.5A, 18W Max
Total Output	15W Max
Operating Temperature	0°C to +40°C
Storage Temperature	-10°C to +60°C
Product Weight	231±10g

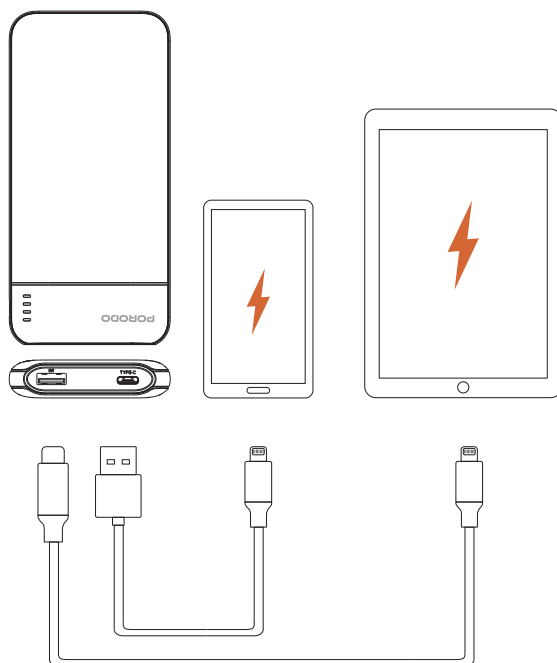

Product Size	16 x 68 x 140mm
Model Number	PDPBFCH0106

Product Components

Operating Instructions

1. To charge the power bank, connect the charging cable to the input port of the power bank and the other end to a computer or power adapter. Once the display screen lights up, charging will begin.
2. To charge your device, first connect the data cable to your device, then plug the other end into the output port of the power bank. Press the power button, and the LED light will turn on, indicating that charging has started.

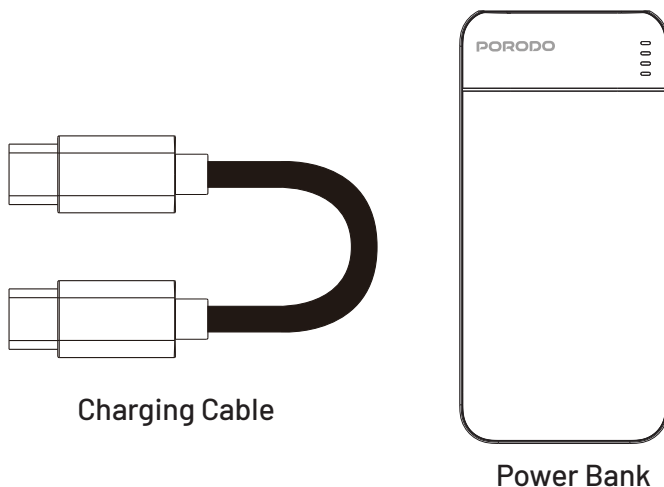

Safety Instructions

- 1.** Before cleaning, disconnect the equipment from the power supply. Do not use liquid or foam cleaning solutions; wipe with a cloth instead.
- 2.** When installing the equipment, place it on a reliable surface to prevent damage from dropping.
- 3.** If consumers use a power adapter for the power supply, they should purchase one that is CCC certified and meets the standard requirements.
- 4.** When charging the equipment, please check the voltage of the power supply first.
- 5.** Please do not place anything around the power supply to avoid affecting heat dissipation.
- 6.** Do not pour any liquid into the device to avoid causing fire or electric shock.
- 7.** For safety reasons, do not disassemble the equipment randomly. Only qualified service personnel may disassemble the equipment.

8. Do not place it at a temperature exceeding 25°C, as this may cause damage to the device.
9. It is suitable for use in non-tropical climates.
10. Disassembly, impact, and extrusion of this product are prohibited.
11. Do not throw it into fire, water, or corrosive liquids.
12. If you notice any signs of expansion, stop using the power bank.
13. Do not use it in high-temperature and high-humidity environments.
14. Do not use it after the product is soaked in water. This product is not suitable for children.
15. If you find any electrical malfunction or mechanical failure of this product, please stop using it and contact customer service.
