Product Overview

The Porodo Spider Multi-Port USB Car Charger is designed to keep all your devices powered efficiently while you're on the move, combining high output with a smart, compact design. Delivering up to 87W of maximum output, it supports fast and simultaneous charging through USB-A and USB-C ports, along with built-in USB-C to USB-C and USB-C to Lightning cables for added convenience. The integrated LED voltage display provides real-time monitoring of your car's power status, while the retractable 80cm cable ensures a clutter-free experience. Built for everyday driving and long journeys alike, this charger offers a reliable, all-in-one solution for powering smartphones, tablets, and other essential devices directly from your car.

Specifications

Material	PC+ABS
Input	12-24V
USB-C Output	5V/3A,9V/3A, 12V/2.5A, 30W Max
USB-A Output	5V/3A, 9V/3A, 12V/2.5A, 30W Max
USB-A+USB-C Output	5V/3A, 15W Max
USB-C Cable Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A, 45W Max
Lightning Cable Output	5V/3A, 9V/3A, 27W Max
Total Output	87W Max
Retractable Cable Length	80cm
Product Size	35 x 57 x 141mm
Model Number	PDCCR33

Product Features

a. Fashionable Design

Features a modern, compact, and stylish design that blends seamlessly with any car interior while maintaining a premium look and feel.

b. Wide Device Compatibility

Equipped with USB and USB-C interfaces, allowing direct connection to compatible charging cables to support smartphones, tablets, MP3/MP4 players, game consoles, GPS devices, and other USB/Type-C powered electronics used in vehicles.

c. 12–24V Universal Voltage Support

Designed to operate safely with both 12V and 24V power systems, making it suitable for a wide range of vehicles, including small cars, SUVs, and larger commercial vehicles.

d. Intelligent Current Output Protection

Automatically adjusts the current output based on the real-time power requirements of connected devices, ensuring efficient charging while protecting electronics from overcurrent, overheating, and potential damage.

Safety Instructions

- 1.** Use the car charger only in vehicles with a compatible power supply within the specified voltage range.
- 2.** Ensure the charger is fully and securely inserted into the vehicle's power socket before use.
- 3.** Remove the charger from the power socket when it is not in use for extended periods.
- 4.** Keep the product away from water, moisture, and high-temperature environments to avoid damage or malfunction.
- 5.** Do not disassemble, modify, or attempt to repair the charger under any circumstances.
- 6.** Avoid using the charger if the cable, connectors, or housing are damaged.

7. Disconnect the charger immediately if excessive heat, unusual odor, or abnormal behavior is detected.
8. Keep the product out of the reach of children and use it only for its intended purpose.
9. This product is intended for use in vehicles with a power supply not exceeding 24V.
10. Avoid applying excessive force, squeezing, or improperly mounting the product, as this may cause damage or affect performance.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
