Product Overview

The Porodo Bluetooth Waist Fan is a versatile, portable cooling device designed for convenience and comfort. Equipped with a powerful 8000mAh battery, it offers adjustable breeze settings with five speed levels to ensure personalized comfort in various conditions. It features an integrated LED headlight function, making it suitable for nighttime use or low-light environments. The fan also includes Bluetooth music streaming capabilities, allowing users to enjoy music while staying cool. The comfortable and ergonomic design allows for easy wearing, and the fan can be conveniently placed around the waist for hands-free use. Perfect for outdoor activities, travel, and everyday use, the Porodo Bluetooth Waist Fan combines practicality with cutting-edge technology.

Specifications

Battery Capacity	8000mAh
USB-C Input/Output	5V/2.4A
USB-A Output	DC 5V/2.4A
Rated Power	6W
SNR	90dB
Speaker Size	36mm
Bluetooth Version	5.3
Transmission Distance	10m
Micro SD Slot	Supports up to 64GB
Product Size	96 x 66x 127mm
Product Weight:	351g
Model Number	PDPNW50

Product Features

1. Adjustable Cooling Breeze:

This fan allows you to choose from 5 different speed levels to provide the optimal breeze for any situation, whether you need a gentle wind or a strong airflow. Perfect for staying cool in warm environments or during outdoor activities.

2. LED Headlight Function:

Equipped with a built-in LED light, this fan serves as a practical multi-use device. Whether you're walking, camping, or in low-light conditions, the LED headlight ensures you remain visible and well-lit. It's an excellent feature for hands-free illumination when you need extra visibility at night.

3. Bluetooth Music Streaming:

The fan integrates Bluetooth technology, enabling you to stream music from your smartphone or other Bluetooth-enabled devices. It doubles as a portable speaker, making it a fun, convenient, and functional gadget for outdoor activities, workouts, or leisure time. The built-in speaker delivers music while keeping you cool.

4. Long Lasting Battery:

With a powerful 8000mAh battery, this fan offers extended use, ensuring that you can enjoy cool breezes and music for hours on a single charge. The large battery capacity makes it ideal for long outdoor trips, sports, or daily commuting, providing you with lasting comfort and entertainment.

5. Comfortable Wear:

Designed for convenience and comfort, the fan comes with an adjustable, ergonomic strap that can be worn around your waist. It ensures a hands-free experience while you go about your activities, whether you're walking, hiking, or running. The fan is lightweight and portable, ensuring comfort during long periods of use.

Safety Precautions

1. Avoid Water Exposure: Do not use the device in wet conditions or submerge it in water to prevent damage or malfunction.

2. Safe Charging: Always use the provided charging cable and plug into a certified power source. Overcharging may lead to overheating or battery damage.

3. Keep Away from Heat: Store the device in a cool, dry place. Avoid exposure to excessive heat or direct sunlight for long periods.

4. **Proper Usage:** Do not block the cooling vent or fan during use, as this may cause the device to overheat.
5. **Battery Handling:** If the device's battery is damaged or swollen, discontinue use immediately and contact customer service.
6. **Avoid Drops:** Handle the product with care. Dropping the device may cause internal damage, reducing its lifespan or performance.
7. **Electrical Safety:** Only charge with the appropriate voltage (5V/2.4A). Using incompatible chargers may cause an electric shock or fire hazard.
8. **Keep Away from Children:** The product contains small parts and should be kept out of the reach of children to prevent potential choking hazards.

Product Design

1. + Button

When playing via Bluetooth or TF card:

- a. Click to skip to the next song.
 - b. Long-press to increase the volume.
2. Press the round button 2 to adjust the fan speed (Cycle from 1 to 5).

3. Power Switch

Double-click to turn on the headlight, then double-click again to switch the light mode.

Position 2: Single-click three times to play the TF card, long-press to pause.

4. - Button

When playing via Bluetooth or TF card:

Click to go to the previous song.
Long-press to decrease the volume.

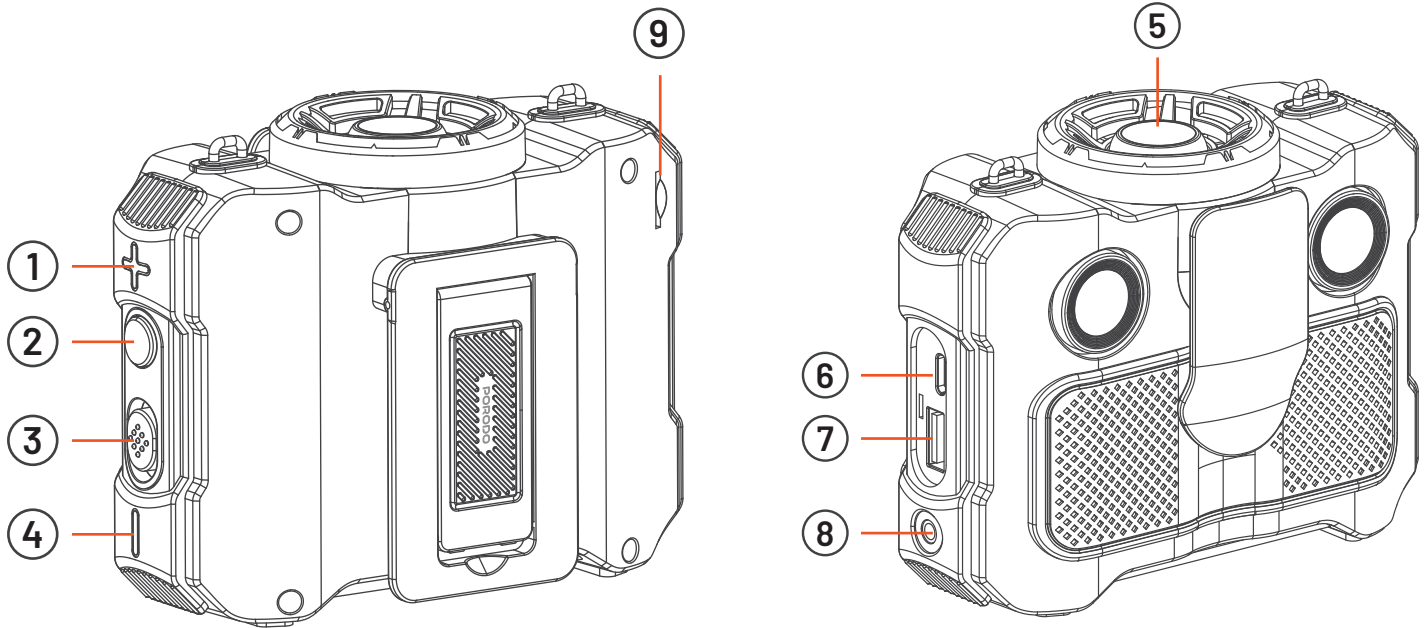

5. LED display

6. USB Type-C input

7. USB-A Output port

8. headphone 3.5mm plug-in port

9. TF card slot

Bluetooth Connection

1. To switch the speaker to Bluetooth mode, press the power button. The speaker will emit a "Bluetooth" sound, indicating that it is now in standby mode and searching for available devices.
2. Next, open the Bluetooth settings on your smartphone and select the "PDPNW50" device from the list. If a password is required, enter "0000" to complete the connection.
3. Once connected, the waist fan will automatically reconnect to your smartphone the next time it is used, providing a seamless experience without needing to pair again.
4. In Bluetooth mode, press the round button three times consecutively to switch to TF card mode and begin playing MP3 music from the TF card.
5. To pause playback, long-press the round button.
6. Use the "+" or "-" buttons to skip to the next or previous song with a short press, or long-press to adjust the volume.

Disposal

This product must not be disposed of as unsorted household waste.

It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
