Product Overview

The Porodo Foldable Electric Water Pump offers a practical solution for dispensing water with ease and precision. Featuring a digital display panel, it enables one-touch control, making your water dispensing experience smooth and effortless. The pump is designed with a foldable water outlet, ensuring easy storage and space-saving when not in use. It also offers quantitative pumping for precise measurements, while ensuring hygienic water flow. With low-noise operation, it provides a quiet and convenient experience, making it ideal for both home and office settings. Its universal bottle compatibility adds versatility, making it suitable for a wide range of water containers.

Specifications

Rated Power	4W
Rated Voltage	5V
Motor Speed	6000RPM
Battery Capacity	1200mAh
Charging Interface	USB-C
Charging Time	3H
Noise Level	42dB

Bucket Compatibility	4L to 18.9L
Product Size	69 x 148mm
Net Weight	240g
Model Number	LFS199

Product Features

- 1. Digital Display Panel:** Provides an easy-to-read interface, allowing you to monitor and control water dispensing with clear and intuitive information.
- 2. One-Touch Control:** Simplifies operation with a single button press for effortless water dispensing, making it easy for anyone to use.
- 3. Quantitative Pumping:** Ensures precise control over the amount of water dispensed, reducing waste and offering efficiency for any need.
- 4. Foldable Water Outlet:** Features a space-saving design that can be folded down for easy storage when not in use, perfect for smaller spaces.
- 5. Hygienic Water Flow:** Built to maintain clean and safe water flow, ensuring hygiene with every dispense for a worry-free drinking experience.
- 6. Low-Noise Operation:** Operates quietly, making it ideal for environments like offices or kitchens where you want minimal disruption.
- 7. Universal Bottle Compatibility:** Works seamlessly with a wide range of water bottles, offering flexibility and convenience without the need for special adapters.

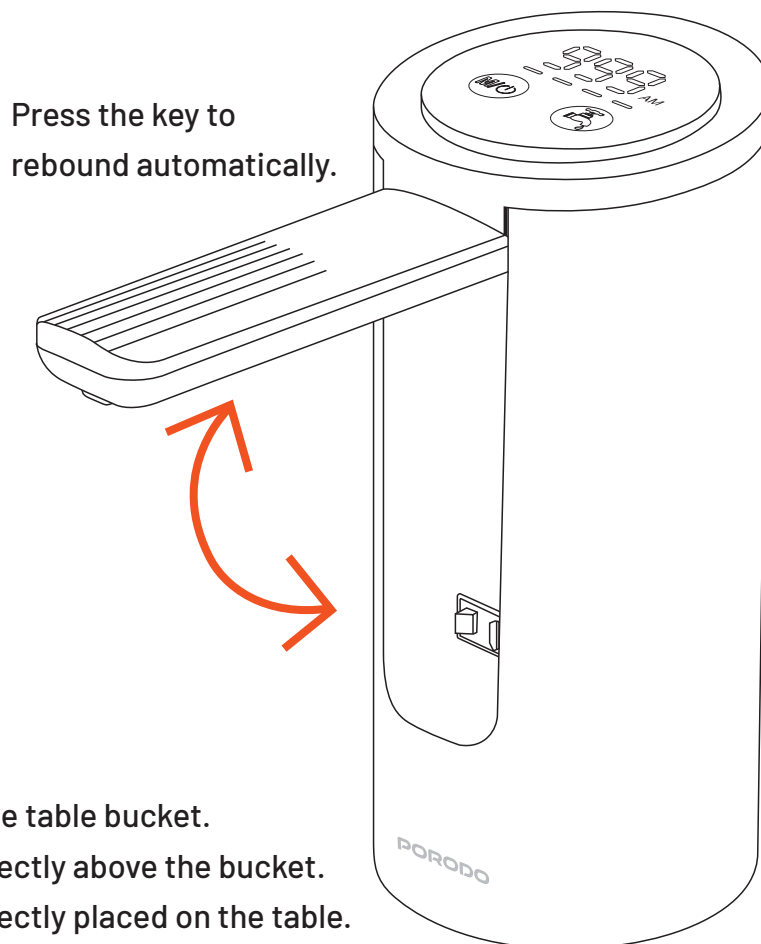

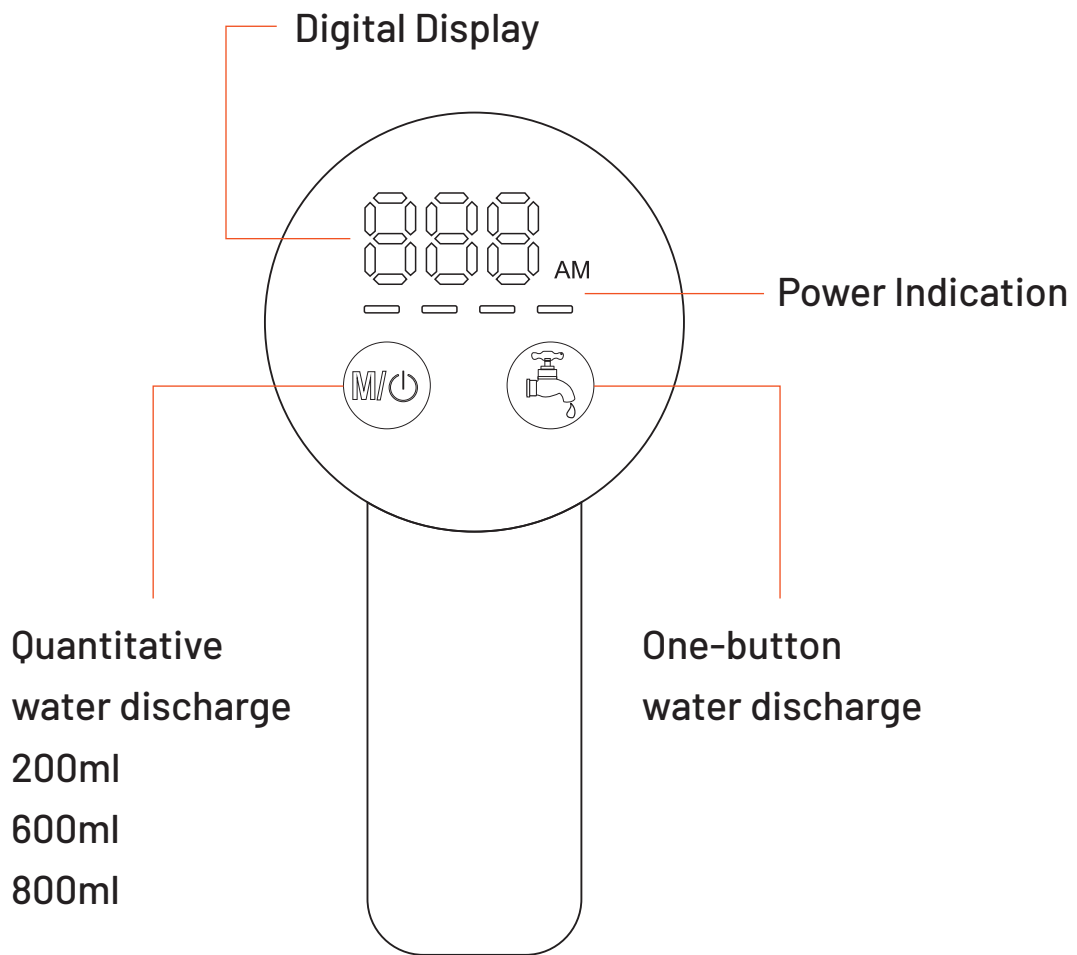

Safety Precautions

1. Ensure the device is plugged into a properly grounded socket.
2. Use only clean, potable water for pumping.
3. Do not submerge the entire machine in water.
4. Place the device on a stable, flat surface during use.
5. Unplug before cleaning and avoid harsh chemicals.
6. Supervise the device during operation, especially around children.
7. Store the device in a cool, dry place when not in use.
8. Before use, it is recommended to pump water for 60 seconds to ensure proper functioning.

Operation Instructions

1. Function:
 - a. Gently press the key to start.
 - b. Select the desired pumping time.
 - c. Press the water key to pump water directly.
2. Pump Features:
 - a. The pump can be directly connected to a mineral water bucket.
 - b. It can also be used on the table for easy dispensing.
3. Water Discharge Options:
 - a. Quantitative water discharge: 200ml, 600ml, or 800ml.
 - b. One-button water discharge available.
4. Additional Features:
 - a. Digital Display: Displays settings.
 - b. Power Indication: Shows the power status.
5. Usage:

Double-use table bucket: Can be placed directly above the bucket or on the table.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
