Product Overview

The Porodo Aluminum Multi-Port USB-C Hub is a versatile and high-performance connectivity solution designed for seamless plug-and-play operation. Crafted with a durable aluminum build, this hub combines both strength and sleek design, making it a reliable companion for everyday use. It features multiple ports, including two USB 2.0, a USB 3.0, and a Type-C port, enabling easy connection to a wide range of devices. With USB 3.0 support, it delivers fast data transfer speeds of up to 5 Gbps, allowing quick file sharing and efficient workflow management. The compact and portable design, combined with hassle-free compatibility, makes it ideal for professionals, students, and anyone looking to expand their device connectivity without compromising speed or durability.

Specifications

Material	Aluminum Alloy + TPE
USB 2.0 Transfer Rate	480Mbps
USB 3.0 Transfer Rate	5Gbps
Power Delivery	5V via USB-C Port
Operating Systems	Windows, macOS, Linux & Chrome OS
Model Number	FWC097

Product Features

- 1. Plug & Play:** Instantly ready to use—no software or drivers needed. Just connect it to your USB-C device and start working with your peripherals immediately.
- 2. Durable Aluminum Build:** Constructed from high-quality aluminum, the hub is both lightweight and robust, providing long-lasting durability while maintaining a sleek, premium appearance.
- 3. Multiple Ports:** Equipped with two USB 2.0, a USB 3.0, and a Type-C port, it allows you to connect a variety of devices such as external drives, keyboards, mice, and more simultaneously.
- 4. High-Speed Data Transfer:** The USB 3.0 port supports ultra-fast data transfer speeds of up to 5 Gbps, enabling you to move large files like videos, photos, and documents in seconds.
- 5. Compact & Portable:** Its slim, lightweight design makes it easy to carry in a laptop bag or backpack, perfect for students, professionals, and travelers on the go.
- 6. Wide Compatibility:** Compatible with most USB-C laptops, tablets, and devices, ensuring seamless connectivity across different platforms without the hassle of multiple adapters.
- 7. Efficient Workflow:** Streamlines your workspace by allowing multiple peripherals to operate at the same time, boosting productivity and reducing cable clutter.

Safety Precautions

- 1. Avoid Excessive Force:** Do not force the USB-C connector into the port; align it properly before inserting.

2. **Keep Dry:** Avoid exposing the hub to water, moisture, or liquids to prevent short circuits and damage.
3. **Avoid Extreme Temperatures:** Do not expose the hub to extreme heat or cold, as it may affect performance or damage components.
4. **Use Proper Power Sources:** Only connect the hub to compatible USB-C devices. Avoid using with unapproved chargers or adapters that exceed voltage limits.
5. **Unplug When Not in Use:** Disconnect the hub when not actively in use to prevent unnecessary wear or overheating.
6. **Handle with Care:** Avoid dropping or applying heavy pressure to the hub, as this may damage internal circuits.
7. **Keep Away from Children:** Small components may pose a choking hazard; keep out of reach of children.
8. **Avoid Overloading Ports:** Do not exceed the maximum power or data limits for connected devices to prevent overheating or malfunction.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference; and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful

interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements.

The device can be used in portable exposure conditions without restriction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
