Specifications

Battery Capacity	650mAh (Case), 55mAh (Microphone)
Input	5V/2A, 10W
Working Voltage	Lithium Battery 4.16V
Working Current	<14.2mA
Charging Time	About 1 Hour
Working Time	Up to 5 Hours
Transmission Distance	15m
Microphone Sensitivity	-38dB
Model Number	PDLAMPHF76

Product Overview

This wireless microphone offers professional-quality recording output with a simple plug-and-play design, requiring no additional applications or software. It's versatile and suitable for a wide range of uses, including online live broadcasts, video log shooting, program production interviews, educational video teaching, and more. The wireless microphone consists of three key components: the microphone transmitter, the receiver, and the charging compartment. Each part works seamlessly together to provide high-quality audio with ease of use and convenience.

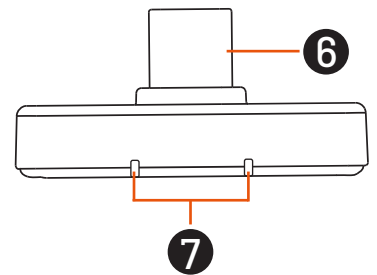

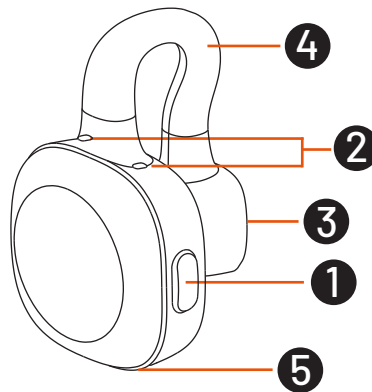

Package Contents

1. Microphone Transmitter (TX)
2. Receiver (RX)
3. Charging Compartment
4. Type-C Charging Cable

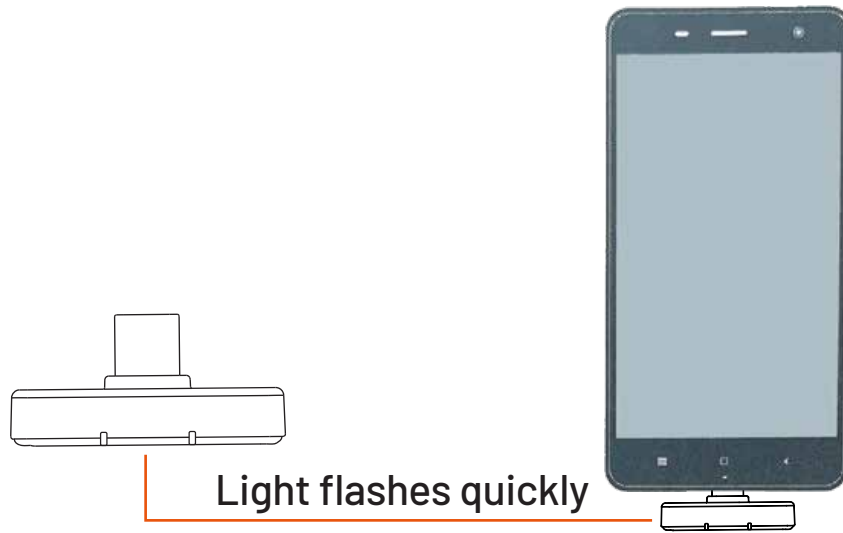

Schematic View

1. Microphone Control Button
2. Receiver Status Indicator
3. Microphone Audio Hole
4. Flexible Clip
5. Microphone Charging Pin
6. Receiver Connection Port
7. Receiver Status Indicator

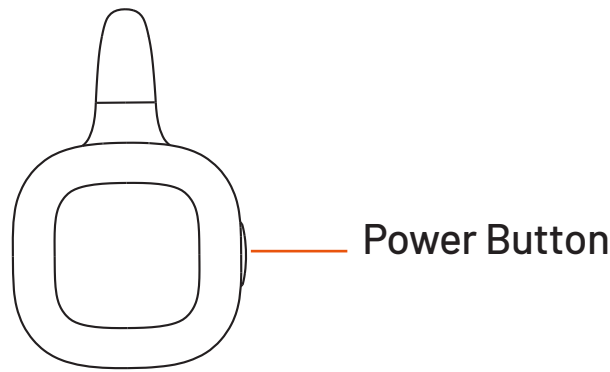

Receiver Usage Instructions

1. Insert the receiver into the mobile phone's port. Once properly connected, the receiver's light will begin flashing rapidly, indicating that it is powered on and ready for use.

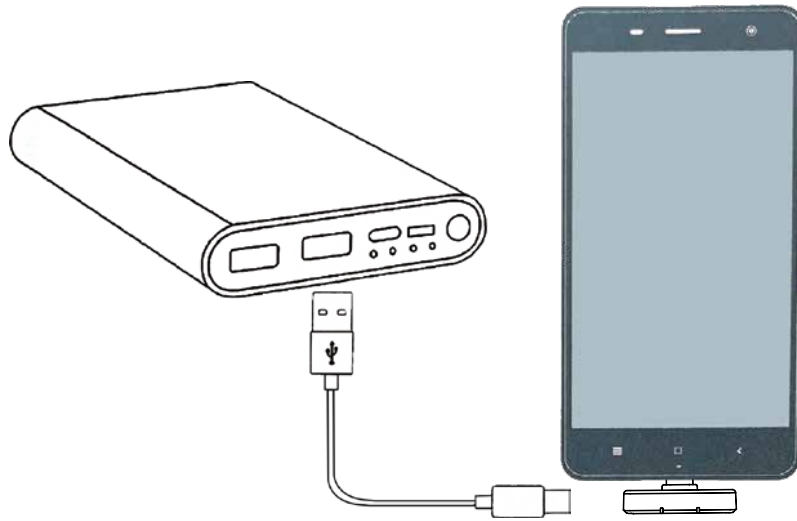

2. Press and hold the power button of the microphone until the indicator light turns on. This confirms that the microphone is powered on and ready for use.

3. Once the microphone is powered on, the indicator light on both the receiver and microphone will remain illuminated, signifying a successful connection between the two devices. At this point, open your preferred live video application on your phone. Use the microphone to capture audio during your session.

4. If your phone's battery level is low during a live broadcast, you can use the receiver's charging port to directly charge your phone with the external power supply. This ensures your device remains powered throughout the broadcast, preventing any interruptions due to battery depletion.

Product Usage Guide

A. Microphone TX

Functions	Operation	LED Status	Notes
Power On	Press and hold the button for 2s	Both lower lights flash rapidly.	
Auto Power-On	Take out the auto power-on from the charging compartment	Both lower lights flash rapidly.

Safety Precautions

1. Keep the microphone dry and away from moisture or liquid spills. Moisture can damage the microphone and affect performance.
2. Keep the volume at a safe level during use to avoid hearing damage. Start with a lower volume and gradually increase it to your desired level.
3. Do not expose the microphone to high temperatures or direct sunlight for extended periods. Excessive heat can damage the internal components.
4. When using the microphone, ensure it is securely attached to clothing or other stable surfaces to avoid accidental falls or damage.
5. Always unplug the microphone from your device when it is not in use to prevent unnecessary wear and conserve battery life.
6. Store the microphone in a cool, dry place, and use the provided carrying case if available to prevent tangling or damage to the cable.
7. Keep the microphone away from strong magnetic fields, as this can interfere with its functionality and performance.
8. This product is not intended for children. Keep the microphone and all its components out of the reach of children to prevent choking hazards or accidental damage to the device.
9. Never attempt to disassemble, puncture with sharp tools, repair, or modify the microphone. Tampering with the device may result in electrical hazards, malfunction, or permanent damage. Always seek professional assistance for repairs

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
