## Product Overview

The Porodo Dual-Port Transparent Car Charger with Pull Ring Handle offers seamless power in every mile, ensuring your devices are charged quickly and efficiently while on the road. With advanced fast charging technology, it supports multiple charging protocols, including PD 36W, QC 18W, and PPS 33W, providing the power needed for various devices. Its sleek and compact flush-fit design seamlessly fits into your car's socket, creating a clean, clutter-free look. The charger's universal compatibility ensures it works with a wide range of devices, while the easy-grip pull ring handle allows for easy removal and insertion. With an input voltage range of 24-12V, USB-A output supporting up to 18W, USB-C output up to 15W, and PPS output at 33W max, it's equipped to provide fast and reliable charging for all your devices.

## Specifications

Input Voltage	12-24V
USB-A Output	5V/3A, 9V/2A, 12V/1.5A, 18W Max (QC 3.0)
USB-C Output	5V/3A, 9V/3A, 12V/3A, 36W Max
PPS Output	3.3-11V/3A (33W MAX)
Sharing Output	5V/3A, 15W Max
Model Number	FWC086

## Product Features

- 1. Flush-Fit Design:** The charger features a sleek and compact build, seamlessly fitting into your car's socket for a clean, clutter-free look.
- 2. Fast Charging Technology:** Equipped with advanced charging technology for faster and more efficient power delivery, ensuring devices are charged quickly and safely.
- 3. Smart Charging Protocols:** Supports various smart charging protocols, including Quick Charge (QC) and Power Delivery (PD), allowing your devices to charge at the optimal speed.
- 4. Dual USB Ports:** Offers two charging ports—USB-A and USB-C—enabling you to charge multiple devices simultaneously without compromising on charging speed.
- 5. USB-A Output:** Delivers 5V/3A, 9V/2A, 12V/1.5A, and 18W max (QC 3.0) for fast charging of compatible devices.
- 6. USB-C Output:** Provides 5V/3A, 9V/2A, 12V/1.5A, 36W max for fast and efficient charging for devices with USB-C charging support.
- 7. PPS Output:** Compatible with the Programmable Power Supply (PPS) standard, offering 3.3V–11V/3A (33W max), for more efficient power delivery to compatible devices.
- 8. Sharing Output:** Features a sharing output with 5V/3A and 15W max to share charging power between devices as needed.
- 9. Durable and Easy-Grip Design:** Built with a transparent design for a modern look, and the included pull ring handle makes it easier to plug and unplug the charger without strain.
- 10. Universal Compatibility:** Compatible with a wide range of smartphones, tablets, and other USB-powered devices, making it a versatile charging solution for all users.

## Safety Precautions

- 1. Avoid Overheating:** Do not use the charger in excessively hot conditions. Ensure the charger is properly ventilated to prevent overheating, which could damage your device or the charger itself.
- 2. Use with Compatible Voltage:** Ensure your car's voltage is within the recommended range of 24-12V. Using the charger with an incompatible voltage may result in damage to the charger or connected devices.
- 3. Check for Damage:** Regularly inspect the charger and cables for any signs of wear or damage. If any part of the charger is damaged, stop using it immediately to avoid potential hazards.
- 4. Do Not Force Connection:** Avoid forcing the charger into the socket. If it does not fit properly, check for any debris or obstruction in the car's socket.
- 5. Avoid Wet Conditions:** Keep the charger away from water or any liquid to prevent short-circuiting. Ensure both the charger and the device being charged are dry before use.
- 6. Disconnect When Not in Use:** Unplug the charger from the car socket when not in use to prevent unnecessary power drain and potential overuse.
- 7. Keep Out of Reach of Children:** Keep the charger out of reach of children to avoid accidental injury or misuse.
- 8. Use Original Accessories:** For optimal performance and safety, always use the charger with original or compatible cables and accessories.
- 9. Do Not Block Airflow:** Avoid obstructing the charger's ports or blocking its airflow while in use, as this could cause it to overheat and reduce its lifespan.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
