## Preface

Thank you for choosing the PORODO Chillo Polar Portable Handheld Fan. This compact fan combines high-speed airflow with semiconductor cooling to provide instant chill in your hand, wherever you go. Please read this manual carefully to understand how to operate, charge, and maintain your fan safely and efficiently. Following these instructions will ensure optimal performance, prolong battery life, and give you a refreshing cooling experience anytime, anywhere.

## Product introduction

## Button Functions

- 1.** On key: Click to switch 1 - 25 - 50 - 75 - 100 - off. Long press for infinitely variable gear adjustment.
- 2.** Cold Compress key: Click to enable and disable the cold compress function.

## **Indicator description**

1. The display screen shows the gear level when the fan is working. When the cold compress function is turned on, the green snowflake indicator light on the right side of the display screen is on.
2. During charging, the percent sign on the display screen flashes; when fully charged, the battery level is displayed as 100%.

## **Matters needing attention**

1. 14 Children under the age of 18 should use the product under adult supervision.
2. Do not put your fingers or any sharp and hard objects into the fan inlet and outlet.
3. Do not place the product in a humid, hot, sun-exposed place.
4. Before disposing of the product, power off the product first, and then remove the battery from the product and dispose of it safely.

## **How to remove the battery of this product**

1. Remove the anti-slip pad at the bottom and use a screwdriver to unscrew the four fixing screws.
2. Separate the shell, remove the battery connection terminal, and take out the battery.

## **Product list**

1. Fan x 1 Type-C charging cable x 1
2. lanyard x 1

## Specifications

Battery	3000mAh (21700 Li-ion Cell)
Rated Voltage	DC 5V
Rated Power	5W
Charging Input	5V / 1.0A
Working Time	11.2-1.4 Hours
Charging Time	Approx. 4 Hours
Operating Current	1A
Max Speed	100 Speeds Levels, 9.5m/s
Motor Type	11,000RPM High-Speed Motor
Product Material	ABS, Silicone, Stainless Steel, and Electronic Components
Model Number	PDLFSTSH27

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.

For more info, please check:  
**porodo.net/warranty**
