Preface

Thank you for choosing the PORODO Chillo Coolclip Waist Fan. This wearable, hands-free cooling device comes with 5-speed airflow, an 8000mAh long-lasting battery, and a power bank function. It provides instant cooling and is designed for personal comfort during outdoor activities. Please read this manual carefully before use.

Package Contents

1. Chillo Coolclip Waist Fan x1
2. USB-C Charging Cable x1

Usage and Care Instructions

1. Charge the fan using the USB-C input (5V / 2A).
2. Turn on the fan and select one of the 5 airflow speeds according to your preference.
3. Use the fan as a power bank to charge your mobile devices if needed.
4. Avoid exposure to water and high temperatures.
5. Clean the exterior with a soft, dry cloth only.

Features

1. 8000mAh rechargeable battery
2. 5-speed airflow settings
3. Semiconductor cooling technology
4. Steady & flash light modes
5. USB-C fast charging
6. Instant cooling function
7. Hands-free wearable design

Frequently Asked Questions

1.How long does the fan run on a full charge?

Up to 5 hours depending on the airflow speed.

2.How long does it take to fully charge?

Approximately 3–5 hours.

3.Can the fan charge my phone?

Yes, it functions as a power bank for USB-powered devices.

Safety Precautions

1.Do not use the fan near water.

2.Keep out of reach of children.

3.Avoid placing fingers or objects near the fan blades.

4.Do not disassemble or modify the fan.

Attention

1.Use only the supplied USB-C cable for charging.

2.Avoid exposing the fan to extreme heat or direct sunlight for prolonged periods.

3.Ensure the fan is fully charged before first use.

Maintenance Tips

1.Wipe with a soft, dry cloth to remove dust.

2.Store in a cool, dry place when not in use.

3.Recharge the battery periodically to maintain performance.

Troubleshooting

1.Fan not turning on: Ensure the battery is charged.

2. Fan is slow or weak: Select a higher airflow speed or fully charge the device.
3. Power bank function not working: Check connections and ensure the device has sufficient battery.

LED Functions

1. Steady Light Mode: Provides continuous illumination.
2. Flash Light Mode: Provides signaling or attention light.
3. The LED can also serve as a light indicator for power or charging status.

Specifications

Battery Capacity	8000mAh Rechargeable
Rated Voltage	5V
Rated Power	10W Max
Charging Input	5V / 2A
Working Time	5 Hours Max
Charging Time	5-3 Hours
Product Material	ABS + PCM + Electronic Components
Model Number	PDLFSTSW03

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
