*Playback time varies depending on volume and music style.

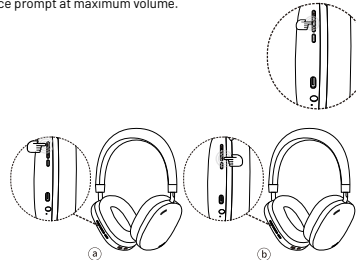

Product Instructions

1. Bluetooth Pairing Method

- 1.1 Press and hold the power button for 2 seconds until the red and blue LEDs flash, indicating the pairing mode. Select the headset from your device's Bluetooth list, Bluetooth Name: ST-ANC MAX. Upon successful pairing, the blue LED will be off. The headset icon may vary depending on the device's Bluetooth compatibility.
- 1.2 Maintaining Connection: The headset will automatically connect to the paired device as long as Bluetooth is enabled and within range. Automatic reconnection occurs when calls or music playback begins.

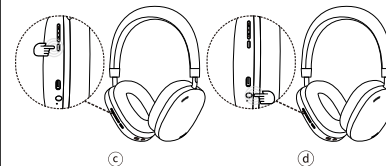

2. Controls:

- *Play/Pause Music: Press the MFB key once.
- *Answer/End Call: Press the MFB key once to answer and again to end calls.
- *Reject Call: Press and hold the MFB key for 2 seconds to reject an incoming call.
- *Voice Assistant/Gaming Mode: Triple press for voice assistant or double press for gaming mode.
- *Power On/Off: Long press the MFB button, 2 seconds to power on & 3 seconds to power off.
- *Track Navigation: Long press "a" button (Next Track), Long press "b" button (Previous Track).
- *Volume Control: Short press "a" or "b" buttons for volume up/down; voice prompt at maximum volume.

*Active Noise Cancellation (ANC) Function: Toggle between normal and ANC mode by pressing the ANC key.

*The 3.5mm jack is provided for AUX mode. Connect the AUX cable to a mobile phone or computer to switch off Bluetooth and activate Aux mode.

3 Charging Function:

*Utilize a Type-C cable to connect the headphones to a charger or computer USB port for charging. The headphone's LED indicator will be red during charging and will turn off once fully charged.

*A voice prompt will alert you when the battery is low.

Cautions

1. Do not expose the product to damp, dusty conditions, smoke, steam, or extreme temperatures, and avoid prolonged exposure in vehicles to prevent malfunction.
2. Adjust the volume to a safe level to prevent potential hearing damage. For safety, refrain from using the headphones while driving or cycling.
3. Use a soft, dry cloth to clean the product.
4. Do not use the headphones during thunderstorms or in wet conditions as they are not waterproof.
5. While charging, the headphones will not operate and cannot be connected to a mobile phone. Ensure the power adapter's voltage is 5V±0.2V.

Kindly Remind

1. Should you have any queries about the product that are not covered in the manual, please contact the local dealer.
2. This product is equipped with a rechargeable lithium battery. Please adhere to the following safety warnings:
 - Do not crush, puncture, or expose the battery to fire.
 - Avoid storing in high temperature environments.
3. If affected by environmental conditions such as electromagnetic fields, please refrain from using the product close to strong magnetic fields and charge the device monthly to maintain optimal Bluetooth functionality.

*Please use the provided USB cable for charging. Avoid using a fast charge adapter as it may damage the battery.
