

**PORODO**

**Porodo**

**Kids Smart Screen  
Distancing Alarm**

SKU: PD-KDSCDA

Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

## Features

- 1. Distance Settings:** Adjust the optimal viewing distance settings to ensure your child maintains a healthy distance from the screen.
- 2. Set Screen Time:** Program the device to monitor and limit the amount of time your child spends in front of the screen daily.
- 3. Working Time:** Set the duration for which the device will actively monitor screen distance and time usage during your child's daily screen activities.

| Dimensions      | 48.5×21.5×63mm                            |

## Instructions for Use

Initiate using the product by pressing the power button for about 3 seconds. By doing so, the device turns on. Proceed by adjusting the distance knob to one of the 3 levels of distance: far, mid, or close range.

The “Far” setting is suitable for computers and sets the distance at 60cm.

The “Mid” setting is suitable for iPads and sets the distance at 45cm.

The “Close” setting is appropriate for smartphones and books with at least 30cm distance.

If the child moves closer than 60cm to the computer screen, the indicator will start flashing and an alarm is emitted. Additionally, the screen displays a number indicating how many times a child has moved closer to the screen than the set distance, with a maximum count of 10 times.

## Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **[porodo.net/warranty](https://porodo.net/warranty)** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
