| 3   | User Manual                | 1   |

## BEFORE FIRST USE

For an optimal experience,  
please charge the charging  
case and earbuds before using  
them for the first time.

## CHARGING LED

-When you charge the case, the case LED flashes red.

-When the case is fully charged, the red light is on.

Power ON: Open the charging case; both earbuds will power on  
automatically.

Power OFF: Put both earbuds into the charging case, close the case,  
and both earbuds will power off automatically.

## CONNECTING EARBUDS TO YOUR PHONE

-Open the charging case, both earbuds will TWS (True Wireless  
Stereo) pair automatically. You'll see one of the earbuds flash a blue  
light once pairing is done.

-Turn on Bluetooth on your mobile device, search for PD-STF07ME and  
click it to connect.

Tips: Earbuds will automatically power off if they don't connect with  
any device within 5 minutes.

to turn on/off gaming mode

Note: Control functions may vary as per the device connected.

## SAFETY INSTRUCTIONS

1. Store earbuds in a dry and well-ventilated area to prevent contact  
with oil, steam, moisture, dust, etc., and to maintain optimal  
product performance.
2. Refrain from using harsh organic solvents or items containing  
these substances for cleaning the earbuds.
3. Use the earbuds as intended and follow the standard operating  
procedures. Be mindful of the environmental impact and maintain  
a connection distance of no more than 10 meters between your  
phone and earbuds for the best performance.
4. If the earbuds experience issues such as poor connectivity or  
compromised communication, do not attempt to disassemble  
them. Unauthorized repairs or modifications could void the  
warranty.
5. Use only a standard or manufacturer-approved car charger or  
charging cable to recharge the earbuds.
6. To maintain the earbuds' functionality, ensure they are  
adequately charged.
