1. Press table legs to open the locks on both sides.

2. Turning and fully open the legs, and press hinges to straight position.

3. Remove the stools and turn over the table.

4. When collapsing, first retracting the straight leg then retracting the leg with curve.

Lighting Functions:

Constant Light: Press the bottom once to activate continuous illumination, which supports up to 24 hours of light.

Breathing Light: Press twice for a slow-blinking effect, providing a gentle, rhythmic glow.

Warning Light: Press three times to engage a red-blinking light, intended for warning signals.

QR Code: Scan to view an instructional video on how to operate the lighting functions.

Usage Instructions:

1. Open: Release the buckle to unlock.

2. Grasp: Hold the designated grips on either side of the stool.

3. Extend: Pull and twist to adjust the stool's height.

4. Adjust: Continue until you reach the desired height.

5. Collapse: Close the stool by grasping the open ends, twisting counter-clockwise, and pushing together.

6. Lock: Secure by closing the buckle.

7. Battery Replacement: Rotate the bottom counter-clockwise to open. Replace with 2 AA batteries.

8. Power: Press the button to turn on the light.

Safety Precautions:

Impact Warning: Avoid striking the sides of the stool to prevent damage.

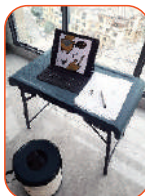

Positioning Caution: Do not sit on the stool sideways to ensure stability and safety.
