Product Instructions

1.1 Bluetooth Pairing Method:

-Press and hold the power button for 2 seconds to enter pairing mode; blue and red LEDs will flash alternately.

-To pair, activate Bluetooth search mode on your device and select "Por HP ANC". A blue LED will flash to indicate successful pairing, and the battery level will be displayed differently depending on your device.

1.2 Music Playback and Call Management:

-To play music, press the play button once. Press again to pause.

-To answer a call, press the phone button. To end a call, press the phone button again. To reject an incoming call, press and hold the phone button for 2 seconds.

-For voice assistant access, triple-press the phone button when connected.

-To switch between music and gaming modes, double-press the phone button.

-To power on, press and hold the play button for 2 seconds; to power off, press and hold for 5 seconds.

-For the next track, long-press the volume up (+) button; for a short volume increase, press briefly. When the volume reaches

its maximum, a voice prompt will sound.

-For the previous track, long-press the volume down (-) button;

for a short volume decrease, press briefly.

-Press the ANC button to toggle between normal and ANC modes. -The AUX port is compatible with a 3.5mm jack. To use, connect the AUX cable to a mobile device or computer, which will disable Bluetooth and activate AUX mode.

1.3 Charging Function:

-Use the USB Type-C cable to connect the headphones to a charger or computer for charging. The LED indicator will be red during charging and will turn off when the battery is fully charged.

-A voice prompt will alert you when the battery is low.

Cautions:

- Avoid exposing the product to damp, dusty conditions, or direct sunlight. Do not leave it in a vehicle for a prolonged time, as this may cause damage.
- Listen at a comfortable volume to prevent hearing damage. Do not use the headphones while driving or cycling.
- Clean the product with a soft, dry cloth.

4. Do not use the headphones during a thunderstorm.

5. Never immerse the headphones in water as they are not waterproof.

6. The headphones will turn off and disconnect from Bluetooth during charging. Ensure the power adapter's output is 5V±0.2V.

Kind Reminders:

1. If you have any questions not covered by this manual, please reach out to your local dealer.

2. This product contains a rechargeable lithium battery. For safety:

-Do not expose the battery to heat or fire.

-Do not use the product in extremely hot environments.

-Do not use if the product has been immersed in liquid.

3. Environmental factors can affect Bluetooth performance. To maintain battery life, charge the device once a month if not in regular use.

Note:

Please charge using the provided USB cable. Do not use a fast-charging cable as it may damage the battery.
