COMPACT PORTABLE WIRELESS SPEAKER

Product Parameters

Model: PD-ST5MBS-BK

Audio type: Wireless audio

Channel system: mono

Version: Wireless V5.2

Supporting protocols: A2DP, AVRCP, HSP, HFP

Operating frequency: 2.402GHz - 2.480GHz

Effective distance: < 10m

Optimal call distance: <1 m

Maximum audio power: 5.4W

Frequency response: 100hz-18khz

Speaker unit: speaker diameter: 57mm * 1+ bass diaphragm

Built in battery: battery -3.7V, 1200mAh

Music time: 2-3 hours (80% volume)

Talk time:>3 hours (90% volume)

Charging input standard: DC-5V

Charging time: about 3 hours

Product size: 110 * 110 * 135mm

Product weight: 530g (including battery)

Battery cycle life: charge discharge cycle $\geq$ 300 times

Temperature/humidity range: The product should be placed in a dry and ventilated room to avoid contact with corrosive substances
Contact and keep away from fire and heat sources.

The product is charged once every 3 months during storage.

Working temperature: 0~40 ° C, Storage temperature: - 10~45 ° C,

Working humidity: less than 70%, Storage humidity: less than 70%

Function Features

1. Support mono wireless speakers, mobile devices can be sent music to speaker via wireless;
2. Support wireless phone hands-free function, and has echo cancellation and noise processing functions;
3. Support the speakers control cell phone via wireless devices, such as switching songs, adjust the volume, pick up/hang up calls;
4. Support the TF storage card, music format: Mp3; TF storage card system format: FAT16, FAT32;
5. Support AUX input, an external audio source by AUX connected to the speaker, it can adjust the volume on the speaker;
6. A single directory does not limit number of files, it can support music files within a total of 999;
7. Support TF storage card maximum capacity is 32 gb;

Usage Operating

1. Long press Power On/ Off button;
Press the GB light mode to convert

2. Short press to add volume, long press to switch to the next song;

3. Short press to reduce volume, long press to switch to the last song;

4. Short press to pause/play; Double-click to dial/ hang up calls;

5. Short press function mode conversion. two speakers, double-click any one TWS interconnection.
