Disclaimer/notes

1) Please use original AC adapters. We are not responsible for the possible damages if using incompatible adapters. Adapter specifications are : 5V---1A

2) Avoid using this device near metallic devices or devices that are emitting electromagnetic waves, or its signal reception will be affected.

- 3) This device is not waterproof, please store it in a dry and cool environment.
- 4) Please do not use the device when the temperature sharply changed, which may cause condensation inside the device. Wait until condensation disappears.
- 5) Please hold the device with care. Do not drop, bend or bump the device as this may cause irreparable damages to the device.
- 6) Non-professionals are prohibited from disassembling the equipment by themselves. If need repair, please go to the designated repair location.
- 7) The recommended operating environment is 0~35°C, humidity is 5%~95%.
- 8) Please original the original battery only, as it may cause device damages or explosions.

Thank you for purchasing our products, you will enjoy the following services when using the products:

1. Warranty services:

- 1) If the device has performance issues ,but without any appearance damages. You can replace it with a new device within 7 days since you buy it.
 - 2) Warranty period is 12 month from the date of purchase. During the warranty period, service centers will repair the device or replace parts of it if the device has a manufacture defect without any charges.
2. The following conditions are not covered under the terms of the warranty.
- 1) Warranty period expires.
 - 2) The seal label is damaged, altered without permission or has no seal label.
 - 3) Unauthorized disassembly or repair.
 - 4) Man-made damage, resulting in product damage and deformation.
 - 5) Damages results from abnormal environments with high-pressure, high temperature and high humidity.
 - 6) Damaged by natural disasters such as lightning strikes, flooding, earthquakes, etc.

3. You can get our "Paid Repair" if your product not meet the conditions of our warranty services.
