Assembly Guide

1. Open the hasp and unfold the grill body. Remove all parts from inside.
2. Set Up the Structure
 - (A) Rotate the foot stool and attach the connecting fastener between the legs.
 - (B) Open the grill and place the fire bowl into the designated slot.
3. Insert the Grill Racks: Place the charcoal grill inside the frame and position the cooking grill on top.
4. Assembly is now finished, and the grill is ready for use.

Precautions

1. Ensure the barbecue grill is placed on a secure and level surface before use.
2. The grill becomes extremely hot during operation. Do not move it while in use. Allow the grill to cool completely before emptying and storing. Ensure the fire is fully extinguished before leaving.
3. Keep children and pets at a safe distance. Never leave the grill unattended while in use.
4. Do not use the grill in enclosed or habitable spaces such as houses, tents, caravans, motorhomes, or boats. Risk of fatal carbon monoxide poisoning.
5. Never pour combustible liquids onto burning charcoal.
6. Dispose of all waste properly and keep the area clean.
