Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

Features

- 1. The MagSafe mount is equipped with powerful N52 magnets that provide a strong and secure connection to your device, ensuring it stays firmly in place.
- 2. With multi-angle adjustment capabilities, the mount allows you to find the perfect viewing angle, offering flexible positioning for your device.
- 3. Featuring a space-saving folding design, the mount can be easily collapsed for compact storage or portability without compromising its strength.
- 4. The mount’s strong magnetic hold keeps your device securely in place, even during movement or vibrations, providing stability and reliability.

Specifications

Material	Zinc Alloy
Magnetic Force	4500 Gauss
Magnet Type	N52
Number of Magnets	20pcs
Product Weight	88g
Model Number	HS30

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
