Operation Instructions

1. Wired Mode (Plug & Play)

1.1 When the switch is set to "OFF", connect the keyboard's USB port to the PC.

1.2 When the switch is set to "ON", press FN + "V" to enter USB Mode, then connect the keyboard to the PC.

1.3 Ensure that the PC can recognize the keyboard once connected.

2. Bluetooth Mode

2.1 Turn the keyboard switch to "ON" and press FN + "Z", "X", or "C" to select a channel. Then, long press for 3 seconds to enter pairing mode.

2.2 Enable the Bluetooth function on your device and select "PDX214" from the list to connect.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
