Speaker Power	5W
Battery Capacity	500mAh
Frequency Range	60Hz-20kHz
Bluetooth Version	5.2
Transmission Distance	10m
Playtime	3H-8H
Recharge Time	2H
Charging Interface	Type-C
Material	ABS
Product Weight	195g
Product Size	52× 100 x 67mm
Implementation Standards	GB8898-2011, GB13837-2012, GB176251-2012

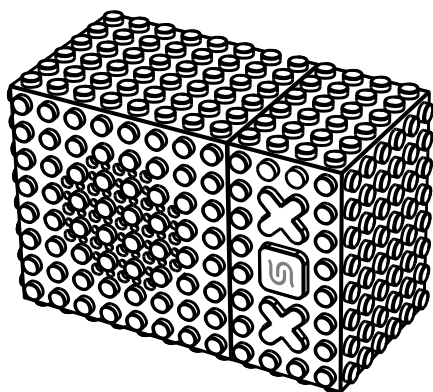

Power Charging

This speaker features a built-in rechargeable lithium polymer battery. When the battery level is low, a prompt sound will alert you. To recharge, connect the speaker to a 5V/1A charger. The red indicator light will illuminate while charging and turn off once fully charged.

Important Safety Instructions

1. Do not expose the product to rain or high humidity.
2. Avoid disassembling, repairing, or modifying the product.
3. Store and use the speaker at room temperature.
4. To prevent damage, do not drop the speaker.
5. Always use the rated voltage for charging the speaker.
6. Unauthorized disassembly will void the warranty.
7. Prolonged exposure to high volume levels may cause hearing damage; avoid excessive volume.
8. **Caution:** Risk of explosion if the battery is not replaced correctly. Only replace it with the same type or an equivalent type of battery.
9. **Warning:** Do not expose the battery to extreme conditions such as direct sunlight, fire, or other sources of excessive heat.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
