Features

- 1.** The chair is built with a durable hardwood and plywood frame, ensuring long-lasting stability and support.
- 2.** A full chaise pad offers continuous support and comfort between the seat and leg rest, enhancing the overall seating experience.
- 3.** The upholstery is made of ultra-soft yet durable polyester-microfiber material, providing a plush feel while being resistant to wear and tear.
- 4.** The chair features a transitional design that blends seamlessly into a variety of home or office environments, offering both comfort and aesthetic appeal.
- 5.** The seat and back are tufted for added texture and visual appeal, creating a luxurious feel while enhancing comfort.
- 6.** Padded armrests provide extra comfort and support, allowing for a more relaxed gaming or working experience.
- 7.** The semi-soft seat provides a balanced level of cushioning, offering support without compromising on comfort during long sitting sessions.
- 8.** This gaming chair features an all-electric system with three positions: lift, sit, and recline, giving you customizable comfort at the push of a button.
- 9.** The chair offers flexible positioning options, allowing you to adjust to your preferred angle for gaming, relaxation, or work.
- 10.** The chair is equipped with a UL-approved wired remote that allows for easy control of the chair's electrical functions, ensuring safety and convenience.
- 11.** A convenient side pocket offers additional storage for items like controllers, remotes, or other small accessories, keeping your space organized.
- 12.** The chair is built to support up to 330 pounds, providing a sturdy seating option for a variety of users.

Control Panel

Power On/Off

Press the power button to turn the device on or off.

Speed +

Press to increase the speed of the effects.

Mode -

Press to decrease the mode setting (358 modes available).

Speed -

Press to decrease the speed of the effects.

Functions

- 1.** The chair features a 7-point massage system, targeting key areas for maximum relaxation.
- 2.** Customize the intensity of the massage to your preference with adjustable strength settings.
- 3.** Set your desired massage duration for a tailored experience with the adjustable timer.
- 4.** The chair offers multiple vibration settings, with adjustable frequencies for varied massage techniques.
- 5.** Choose between a light or heavy massage beat, providing a comfortable level of pressure for relaxation.
- 6.** Select specific areas of the chair for targeted massage, ensuring comfort where you need it most.

Safety Precautions

- 1.** Before use, make sure the chair is properly assembled and securely positioned to avoid accidents or damage.
- 2.** Do not use the massage function for extended periods at maximum intensity to prevent strain on your muscles or the chair's motor.
- 3.** Regularly inspect the power cord and connections for any damage. Never use the chair if the wiring is exposed or frayed.
- 4.** To avoid electrical hazards, always use the chair in a dry environment and keep it away from any sources of moisture.
- 5.** Keep children and pets away from the chair while it is in use, as moving parts could pose a safety risk.
