Product Overview

Bluetooth Pairing

1. For initial pairing, press and hold the camera button for 2 seconds. The blue light will flash, indicating that the device is in pairing mode.
2. Turn on your phone's Bluetooth in the settings, search for the device named 'SELFIE-E6,' and select it to pair. The blue light will turn off once the device is successfully paired.

Function Guide

1. After pairing the device via Bluetooth, open your phone's camera app and press the camera button to take photos or start recording video. If the device

is idle for 300 seconds, it will automatically power off.

2. To turn it back on, press the camera button once, and then press it again to take a photo.

Charging Guide

The red light will turn on while charging and will turn off once the device is fully charged.

FCC Declaration of Conformity

Important Notice: Any alterations or modifications to this device not approved by the responsible party may void the user’s authority to operate the device. This device complies with Part 15 of the FCC Rules. Operation of this device is subject to the following two conditions:

- 1. This device must not cause harmful interference.
- 2. This device must accept any interference received, including interference that may result in undesirable operation.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
