Product Overview

The Porodo GripFold MagSafe Rotatable Car Mount offers a reliable and versatile solution for securely holding your smartphone while driving. With its powerful N52 magnet, the mount ensures a stable grip, keeping your device in place even on rough roads. It features 360° full rotation for customizable positioning, allowing you to switch between horizontal and vertical orientations effortlessly. The adjustable viewing angle ensures the perfect line of sight for navigation or hands-free calls, while one-handed operation makes it easy to attach or remove your phone. Designed for MagSafe-enabled devices, this mount provides both convenience and stability, making it the ideal accessory for your car.

Specifications

Magnet Type	N52
Product Weight	90g
Product Size	35.45 x 58.18 x 86.06mm
Model Number	PDSKR06

Key Features

1.360° Full Rotation: The Porodo GripFold Car Mount offers seamless rotation, allowing you to adjust your device to your preferred angle. Whether you need a landscape view for navigation or a portrait orientation for hands-free calls, the

mount gives you complete flexibility to switch between horizontal and vertical positions with ease.

2. Powerful N52 Magnet: Equipped with a high-quality N52 magnet, the mount provides a strong and stable hold on your smartphone. This ensures your device stays securely attached, even when driving on uneven roads or sharp turns, preventing any accidental slips or falls.

3. Adjustable Viewing Angle: The mount allows you to adjust the angle of your phone for optimal visibility. Whether you're using your phone for GPS, calls, or entertainment, the adjustable viewing angle ensures a comfortable and clear view at all times, helping you stay focused on the road while keeping your device in sight.

4. One-Handed Operation: Designed for convenience, the GripFold mount enables easy attachment and removal of your phone with just one hand. You can quickly place or remove your device without having to fumble with clips or struggle to get your phone into the mount, making it perfect for quick access while driving.

5. MagSafe Compatibility: Specifically designed for MagSafe-enabled devices, this mount provides a secure connection for iPhones and other compatible devices. The magnet ensures a strong grip, so you can be confident that your phone will stay in place while you drive, without needing additional attachments or complicated setups.

Safety Precautions

1. Ensure that the mount is securely attached to your vehicle's dashboard or windshield. Before driving, verify that the mount is firmly in place to avoid any movement or detachment during travel.

2. Do not exceed the recommended weight limit of the mount. This product is designed to hold MagSafe-enabled smartphones and may not be suitable for larger or heavier devices. Always ensure your device is within the safe weight range to avoid damage to the mount or phone.

- 3.** This mount is designed for use with MagSafe-enabled devices. Using it with incompatible devices or non-MagSafe cases may affect the magnetic hold, leading to instability. Always check compatibility before use.
- 4.** When placing the mount, ensure it is positioned away from airbag deployment zones. Mounting your phone in a position that obstructs airbags can cause safety hazards in the event of a collision.
- 5.** Periodically check the condition of the mount and its magnet. If the mount or magnetic components show signs of wear or damage, discontinue use immediately and replace the product.
- 6.** Avoid leaving the mount in direct sunlight or areas with extreme temperatures. High heat may affect the magnet's strength or damage both the mount and your device.
- 7.** Always prioritize safety while driving. Avoid interacting with the mount or phone while the vehicle is in motion. Use voice commands or hands-free options to minimize distractions.
- 8.** Clean the mount with a soft, dry cloth to maintain its effectiveness. Avoid using harsh chemicals or abrasive materials, as these may damage the surface or the magnet's power.
- 9.** The mount is a sealed unit and should not be disassembled or repaired. Attempting to repair the product yourself can result in damage to the components or void the warranty. For any issues, contact the manufacturer or authorized service centers for assistance.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
