Features

1. This charger is equipped with advanced over-heat protection to ensure safe operation, preventing any potential damage from overheating during use.
2. The charger supports rapid charging, delivering power quickly to your devices for faster recharging times.
3. With its durable design and consistent performance, this charger acts as a dependable companion for your daily charging needs.

Specifications

Rated Voltage	AC 240-100V
Rated Frequency	60-50Hz 0.5A Max
USB-C Output	(PDO) 5V/3A, 9V/2.22A, 12V/1.67A, (PPS) 3.3V-11V/2A, 20W Max
Output Power	20W

Safety Precautions

1. To prevent any accidents or injuries, keep the charger out of reach of children and ensure it is not used by them.
2. Never immerse the charger in water or expose it to excessive moisture to avoid electrical hazards and potential short circuits.

3. Only connect the charger to devices that support USB-C charging to prevent overheating or damage to your device or the charger.
4. Ensure that the power outlet is not overloaded when plugging in the charger to avoid electrical risks or fires.
5. For safety and energy efficiency, always unplug the charger when it's not in use to prevent overheating and prolong its lifespan.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
