Product Overview

The Porodo Soundtec SV Pro Neckband Earphone delivers clear and dynamic sound with an emphasis on voice clarity. Designed for comfort and long-lasting use, it offers up to 30 hours of playtime and a quick recharge time of 2 hours. Featuring Environmental Noise Cancellation (ENC) for an immersive listening experience, the earphone also includes a fun voice changer with multiple settings, including Male, Female, and Cartoon voices. Its magnetic earbuds and convenient control buttons make it a practical and enjoyable accessory for everyday listening.

Product Features

- A. Bluetooth V5.3:** Enjoy faster, more reliable connections with the latest Bluetooth technology, ensuring a seamless pairing experience and improved sound quality.
- B. Environmental Noise Reduction (ENC):** This feature helps block out background noise for clearer audio, providing an immersive listening experience, whether you're making calls or enjoying music.
- C. Up to 30 Hours of Playtime:** The headphones offer long-lasting playtime, making them perfect for extended use during travel, workouts, or long commutes without the need for frequent recharging.
- D. 10M Bluetooth Range:** With a 10-meter Bluetooth range, you can move freely without worrying about disconnection, allowing for flexibility during everyday use.
- E. Convenient Control Buttons:** The built-in control buttons make it easy to manage volume, skip tracks, or answer calls without needing to touch your phone, offering hassle-free operation.
- F. Magnetic Earbuds:** The magnetic earbuds allow you to easily store your headphones by snapping them together, keeping them tangle-free and ready for use.
- G. Voice Changer Functionality:** Switch between different voice modes (Male, Female, Baby, Monster, Cartoon) to add fun and creativity to your conversations or entertainment, perfect for gaming or calling.
- H. Battery Capacity of 250mAh:** A powerful 250mAh battery ensures long usage time between charges, so you can rely on your headphones for extended listening or talking sessions.
- J. Type-C Charging Port:** The modern Type-C charging port provides fast charging, so you can quickly power up and get back to using your headphones.
- K. 2-Hour Recharge Time:** A fast recharge time ensures your headphones are ready to go with minimal wait time, making it convenient for those on the go.
- L. 130 Hours Standby Time:** When not in use, the headphones have an impressive standby time of up to 130 hours, making them ideal for extended periods between charges.

Charging Guide

Charge your SV Pro earphone via the provided USB type-C cable.

Bluetooth Pairing

1. Turn on the device by pressing and holding the multifunctional button for 3 seconds. A blue light will indicate that the device is in pairing mode.
2. Activate Bluetooth on your device (e.g., smartphone, tablet, etc.) and ensure it is in search mode.
3. Select "LS-102" from the list of available Bluetooth devices.

Button Functions

1. Power On/Off

- a. On: Press and hold the multifunctional button for 3 seconds.
- b. Off: Press and hold the multifunctional button for 3 seconds.

2. Play/Pause

Press the multifunctional button briefly.

3. Volume

- a. Increase: Press and hold the '+' button.
- b. Decrease: Press and hold the '-' button.

4. Song Navigation

- a. Next: Press the '+' button briefly.
- b. Previous: Press the '-' button briefly.

5. Call Handling

- a. Answer: Press the multifunctional button once for incoming calls.
- b. End: Press the multifunctional button again.
- c. Redial: Double-press the multifunctional button.

6. Sound Adjustment

- a. Change Sound: Double-click the power button to cycle through the five available sound modes.
- b. Revert to Original Sound: Triple-click the power button.

Safety Precautions

- 1. Volume Level:** Avoid listening at high volumes for extended periods. Listening to audio at high volumes can cause hearing damage.
- 2. Battery Safety:** Do not expose the earphones to excessive heat or moisture. Always use the recommended charging accessories to avoid overheating or short-circuiting.
- 3. Storage:** When not in use, store the earphones in a cool, dry place. Avoid keeping them in areas with direct sunlight or extreme temperatures.
- 4. Water Resistance:** While the earphones are designed to be durable, they are not fully waterproof. Keep them away from water to avoid damage.
- 5. Proper Handling:** Handle the earphones gently, especially when detaching the earbuds or adjusting the neckband. Avoid pulling on the cables.
- 6. Cleanliness:** Regularly clean the earphones with a dry cloth. Avoid using any liquids that may damage the components.
- 7. Children:** Keep the earphones out of reach of children to prevent choking hazards or misuse.
- 8. Distraction Risk:** Avoid using the earphones in situations where you need to be fully aware of your surroundings, such as while driving or walking in busy areas.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
