Product Overview

The Porodo 85W Multi-Port USB Charging Hub offers a convenient and efficient solution for charging multiple devices simultaneously. Featuring a UK plug and a 2-meter cord length, it allows for flexible placement and easy access. With built-in safeguards, it ensures the safety of your devices while charging. The hub supports simultaneous charging, enabling you to power up several gadgets at once, and includes multiple USB ports with various power outputs, including USB-C and USB-A ports. Its sleek, compact design makes it an ideal addition to any workspace or home.

Specifications

Rated Voltage	110-240V
Rated Frequency	50/60Hz
Plug	3-Pin UK Plug, 2M
USB Ports	x2 PD, x4 Type-C, x3 USB
PD Output 1	DC 5V/3A, 9V/2.22A, 12V/1.67A, 20W
PD Output 2	5V/3A, 9V/3A, 12V/2.5A, 15V/2.33A, 20V/1.75A, 35W
USB QC 3.0 Output	DC 5V/3A, 9V/2.22A, 12V/1.67A, 20W
USB A + C Output	DC 5V/2.1A

Product Features

- A. 85W Total Power Output:** Ensures fast and efficient charging for multiple devices simultaneously.
- B. 2-Meter Cord Length:** Provides extra flexibility for convenient placement and easy access to the hub.
- C. UK Plug:** Fully compatible with UK outlets, making it a perfect fit for users in the region.
- D. Built-in Safeguards:** Protects devices from overcharging, overheating, and short circuits, ensuring safe charging.
- E. Simultaneous Charging:** Allows you to charge multiple devices at once, such as smartphones, tablets, and laptops.
- F. Multiple USB Ports:** Includes both fast-charging USB-C and standard USB-A ports to accommodate various devices.
- G. Compact and Sleek Design:** Ideal for any workspace, desk, or home, offering a clean and organized charging solution.

Product Design

- 1.** USB-A Ports (2 x 2.1A)
- 2.** USB-A Ports (2 x 2.1A)
- 3.** USB-C Port (QC 3.0)
- 4.** USB-C Port (2 X 2.1A)
- 5.** Power Input (UK Plug)

Usage Guide

1. Connecting the Hub:

Plug the UK plug of the charging hub into a compatible electrical outlet.

2. Connecting Devices:

Use the provided USB cables to connect your devices to the appropriate USB ports on the charging hub. Choose the USB-A or USB-C ports depending on the device's compatibility.

3. Simultaneous Charging:

You can charge multiple devices at once by connecting them to the available USB ports. The charging hub supports simultaneous charging, allowing you to power up your smartphone, tablet, or other devices at the same time.

Safety Precautions

1. Proper Plugging and Unplugging:

Always plug the charging hub into a compatible UK electrical outlet. Avoid pulling on the cord to unplug the device; instead, grasp the plug firmly and pull it out carefully.

2. Avoid Overloading:

Do not exceed the total power output of 85W by connecting too many high-power devices simultaneously. Ensure the total power consumption of all connected devices is within the safe operating limits.

3. Keep Dry:

Keep the charging hub away from water and moisture. Do not use it in damp or wet environments, as exposure to water can cause electrical hazards or malfunction.

4. Proper Ventilation:

Ensure that the charging hub is placed in a well-ventilated area. Avoid covering the device during use to prevent overheating.

5. Avoid Extreme Temperatures:

Keep the hub in a cool, dry place, away from direct heat sources, such as

radiators, heaters, or intense sunlight. Exposure to extreme temperatures can damage the hub or affect its performance.

6. Supervised Charging:

For added safety, monitor the charging process, especially when charging multiple devices simultaneously. Disconnect the hub if any unusual heat, smells, or sounds occur.

7. Use the Correct Cables:

Always use high-quality, compatible USB cables for your devices. Using low-quality or damaged cables can lead to charging issues or safety hazards.

8. Regular Inspections:

Periodically check the charging hub and cables for any visible signs of wear or damage. If the hub or cables are frayed, exposed, or damaged, discontinue use immediately and replace them.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
