Product Overview

The Porodo Magnetic Dual-Head Electric Beauty Blender is designed to provide a seamless and flawless beauty application experience. Featuring dual magnetic heads, it ensures a smooth and even finish, making it ideal for blending foundation, concealer, or any makeup product with precision. The blender offers three adjustable speed levels, allowing users to tailor the intensity of their application for different looks and preferences. Equipped with a long-lasting battery, this beauty tool ensures extended usage without frequent recharging. Its natural airbrush finish mimics professional makeup techniques, giving users a polished, airbrushed look every time. Additionally, the blender comes with quick-swap sponge heads, making it easy to maintain and clean, ensuring a hygienic and effortless makeup routine. This combination of convenience, design, and performance makes the Porodo Electric Beauty Blender a must-have tool for achieving flawless makeup.

Specifications

Rated Power	5W
Rated Voltage	5V
Material	ABS
Battery Capacity	500mAh
Working Time	8H
Recharge Time	1.5H

Charging Interface	USB-C
Product Size	4.2 x 4.5 × 17cm
Included Puffs	3 pcs
Model Number	PDLFSTXYM01

Product Features

1. Dual Magnetic Heads

The unique design features two interchangeable magnetic heads, offering flexibility and convenience for a personalized beauty application. Simply switch between heads based on your preference and desired result.

2. Smooth & Even Finish

Achieve a flawless, airbrush-like finish with the advanced technology of the blender. Its ergonomic design ensures a smooth, even application of your beauty products, providing a professional-grade result every time.

3. Long-Lasting Battery

Equipped with a durable, long-lasting battery, the blender ensures extended use without frequent recharges, making it perfect for daily use. It is designed to work efficiently, keeping your beauty routine uninterrupted.

4. Three Speed Levels

With three adjustable speed settings, the blender allows you to customize your experience based on your needs. Whether you prefer a gentle application or a more intense blend, you'll have full control over your device.

5. Quick Swap Sponges

The included sponge heads can be easily swapped for different application needs, ensuring hygiene and versatility. Choose from flat, drop, or V-shaped sponges, each designed to enhance specific application techniques.

6. Natural Airbrush Finish

The beauty blender's cutting-edge airbrush technology provides a flawless, natural finish, blending your makeup seamlessly into the skin, resulting in a fresh, glowing look that lasts all day.

Product Design

Safety Precautions

1. The applicator body is not waterproof. Avoid cleaning it with water.
2. Read the product instructions carefully before use and keep them for future reference.
3. Clean your skin before using the sponge.
4. Turn off the applicator when not in use.
5. Store the applicator and sponges in a clean, dry place, and avoid mixing them with other items.
6. Do not disassemble, repair, or modify the product on your own.
7. This product contains a lithium battery. Dispose of it properly at a designated recycling location when replacing.
8. Children, the elderly, or individuals with disabilities should use this product under supervision.
9. Always use adapters that comply with national certification standards.

Operation Instructions

1. Charge the device fully before its first use.
2. Select the sponge you need.
3. Power on: Press and hold the switch for 2 seconds.
4. Adjust the gear: After powering on, press the switch to change the gear from 1 to 3.
5. Power off: While in operation, press and hold the switch for 2 seconds to turn it off.
6. Low battery warning: The device will flash red 5 times when the battery is low.

Charging Instructions

1. Ensure the applicator is turned off before charging.
2. Use the correct adapter for charging.
3. Connect the USB cable to the charging port.
4. The red light indicates charging; the green light will appear when charging is complete.
5. Once charging is finished, unplug the charger and USB cable.

Troubleshooting

1. **Problem:** Cannot turn on

Reason: The battery may be dead.

Solution: Fully charge the device and then restart it.

2. **Problem:** Powers off rapidly after a short power-on

Reason: The battery is low or there is insufficient power.

Solution: Charge the device fully and then restart it.

3. **Problem:** Cannot be charged

Reason: There may be an issue with the adapter or USB cable.

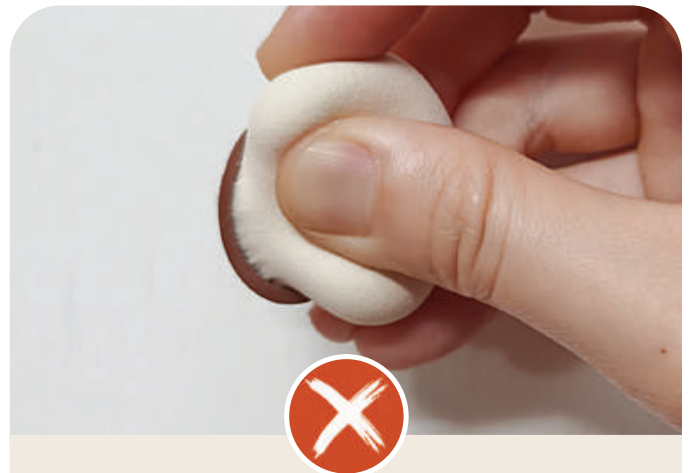

Solution: Check and, if necessary, replace the adapter or USB cable.

Washing Guide

Press gently against the base to release moisture.

Avoid excessive force when squeezing the makeup eggs.

Remove the cosmetic eggs and wash them separately.

Do not wash the fuselage.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
