USB-C Output	5V/3A, 9V/2.22A, 12V/1.67A, 20W
USB-A + USB-C Output	5V/3A
Total Output	20W
Model Number	FWC036

Usage Guide

1. Plug the charger into a wall socket.
2. Connect your device using a Type-C cable.
3. Use the USB-C port for fast charging or the USB-A for standard charging.
4. Once charged, unplug the device and remove the charger from the socket.

Safety Precautions

1. This product is intended for IT equipment use only.
2. The maximum ambient temperature during operation must not exceed 30°C.
3. Do not place naked flame sources, such as candles, on or near the product.
4. The AC plug serves as the main means of disconnecting the device from the power supply.
5. If the power cord or plug is damaged, discontinue use immediately and dispose of the product properly.
6. To clean the product, use only a dry cloth or soft brush. Avoid using liquid cleaners or solvents.
7. Ensure that the socket outlet is installed near the equipment and remains easily accessible.
8. The power supply must not be repaired by unauthorized personnel. In case of failure or component defect, dispose of the product through proper channels.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
