Product Overview

The Porodo Blue ENC Neckband delivers immersive sound with deep bass, clear calls through Environmental Noise Cancellation (ENC), and reliable wireless connectivity via Bluetooth 5.3. Its 200 mAh battery provides up to 28 hours of playtime, making it perfect for all-day use. Lightweight and comfortable, this neckband combines long-lasting performance, superior audio quality, and modern design for music, calls, and entertainment on the go.

Schematic View

1. Light & mic hole
2. Volume UP (Next Track)
3. Power ON/OFF (Pause, Play, Answer call,/Hang up call, Voice Assistance, Switch Music/Gaming mode)
4. Volume DOWN (Previous Track)
5. USB Charging Port

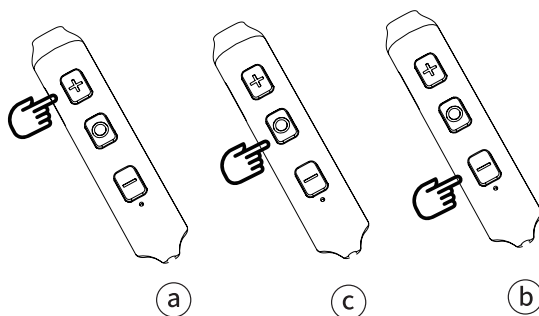

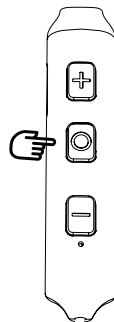

Bluetooth Pairing

1. Press and hold the power button for 2 seconds until the red and blue LEDs flash alternately, indicating the headset is in pairing mode.
2. On your Bluetooth device, enable Bluetooth and search for available devices. Select the headset named PBlue NB.
3. Once pairing is successful, the LED will turn off. Your device will display a Bluetooth icon and the headset's battery level, which may appear differently depending on your device.

Button Functions

1. Press the  key once to play/pause music, press  once to answer phone calls, press  once to hang up calls. Press the  for two seconds to reject phone calls, and press  for 2 seconds to activate the voice assistant.
2. Long-press the + key to skip to the next track, and press the + key once to increase volume.
3. Long-press the - key to return to the previous song, and press the - key once to lower the volume.
4. Long-press the  key for 2 seconds to power on, and long-press the  key to power off the device.
Double-press the  key to switch to gaming or music mode.

Charging Instructions

Connect the headset to a power source using a USB cable, either via an adapter or a computer. The red LED will light up while charging and will turn off once the battery is fully charged. A voice prompt will alert you if the incoming voltage is too low.

Package Contents

1. Headset
2. Earbuds
3. Charging Cable

Safety Precautions

- 1.** Do not expose the product to damp, dusty, oily, or steamy environments, and avoid direct sunlight.
- 2.** Always adjust the volume to a safe level, as high volumes may damage your hearing. For safety, do not use the product while driving or cycling.
- 3.** Clean the product only with a soft, dry cloth.
- 4.** Do not use the product during thunderstorms.
- 5.** Do not immerse the product in water, as the headphones are not waterproof.
- 6.** Use only a certified charger with a DC 5V output, or a USB-enabled computer or adapter, to charge the device safely.
- 7.** Do not hit, squeeze, or expose the product to fire.
- 8.** Do not place the product in high-temperature environments.
- 9.** Do not use the product after it has been soaked in liquid.
- 10.** Bluetooth performance may be affected by the environment and distance. Avoid using the product near strong electromagnetic fields.
- 11.** If the product is not used for a long period, charge it at least once a month to extend its lifespan.
- 12.** Do not leave the product in a vehicle for extended periods, as high temperatures may cause malfunction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **<https://www.porodo.net/warranty>** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
