## **Product Features**

- 1. Dual-function design:** Easily converts from a camping chair to a table.
- 2. Compact and foldable:** Convenient for storage and transport.
- 3. Chair weight capacity:** Supports up to 120kg.
- 4. Table weight capacity:** Can hold up to 200kg.
- 5. Lightweight:** Weighs only 5kg for easy portability.
- 6. Easy setup:** Quick and simple assembly for immediate use.
- 7. Sturdy construction:** Made for durability and long-lasting performance.
- 8. Versatile use:** Ideal for camping, picnics, and outdoor activities.
- 9. Space-saving:** Provides two functions in one compact design.

## **Adjusting the Chair**

- 1. Unlock the chair mechanism** by releasing the securing clips or locks that hold the chair in position.
- 2. Gently tilt the backrest forward**, ensuring the chair's back legs and seat form a horizontal alignment.
- 3. Rotate or adjust the chair's seat portion** into a flat, table-like surface. Ensure the table legs are fully extended and stable.
- 4. Once the chair is transformed into a table**, double-check all locking mechanisms and ensure the table is securely in place.
- 5. If your model allows height adjustment**, set the table to your preferred level using the adjustable legs.
- 6. Now the product is set up as a sturdy, multi-functional table.** For safety, always make sure the locks are securely in place before using the chair or table.

## Safety Precautions

1. Ensure the chair and table are properly locked in place before use to avoid accidents.
2. Do not exceed the maximum weight capacity of 120kg for the chair and 200kg for the table.
3. Keep the product away from sharp objects or extreme heat sources to prevent damage.
4. Regularly check the stability of the product before use to ensure it is secure.
5. Avoid using the product on uneven or unstable surfaces to prevent tipping or falling.
7. Always clean the chair and table after use to maintain hygiene and prevent the buildup of dirt or mold.
8. Do not attempt to modify or repair the product yourself; contact customer service for assistance.
9. Store the product in a dry, cool place to protect it from environmental damage.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
