Product Overview

The Porodo Ravo 10000mAh MagSafe Power Bank is a high-performance portable charging solution designed for fast wireless charging. With a capacity of 10000mAh, this power bank offers robust performance to keep your devices powered throughout the day. It features 20W Power Delivery (PD) fast charging for USB-C input and output, along with a 15W wireless charging function that is ideal for MagSafe-compatible devices. The power bank includes a magnetic attachment for secure and efficient charging, and a battery indicator that shows the remaining charge, making it a convenient choice for on-the-go charging. Its sleek and compact design ensures portability without compromising on power.

Specifications

Battery Capacity	10000mAh 38.5Wh
Rated Capacity	5500mAh
USB-C Input	5V/3A, 9V/2A, 18W Max
USB-C Output	5V/3A, 9V/2.22A, 12V/1.67A, 20W Max
Wireless Output	5W, 7.5W, 10W, 15W
Working Temperature	-10°C ~ 40°C
Product Weight	182.5g
Product Dimension	16 x 69.5 x 105.7 mm
Model Number	PDPB15W

Product Features

- a.** 10000mAh battery capacity for extended usage
- b.** 20W Power Delivery (PD) fast charging via USB-C input/output
- c.** 15W fast wireless charging for MagSafe-compatible devices
- d.** Magnetic attachment for secure and efficient charging
- e.** Clear battery indicator to show remaining charge
- f.** Compact and portable design for easy travel
- g.** Supports both USB-C wired and wireless charging options
- h.** Compatible with a wide range of devices, including smartphones, tablets, and more
- j.** High-quality build for durability and reliability

Safety Precautions

- 1.** Do not expose the power bank to extreme heat, moisture, or direct sunlight to avoid damage or malfunction.
- 2.** Avoid dropping or applying excessive pressure to the power bank, as it may cause internal damage or reduce its lifespan.
- 3.** Only use certified cables and chargers to prevent potential damage or overheating.
- 4.** Do not attempt to disassemble or modify the power bank, as this may result in electrical hazards or void the warranty.
- 5.** Keep the power bank out of reach of children to prevent accidental ingestion or injury.
- 6.** Ensure the power bank is not covered by other objects while charging to allow proper ventilation and prevent overheating.
- 7.** If the power bank becomes excessively hot during charging, immediately disconnect it from the device and allow it to cool down before use.
- 8.** Avoid charging the power bank in extremely cold or humid environments to ensure optimal performance.
- 9.** Always store the power bank in a dry, cool place when not in use.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.porodo.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
