Product Overview

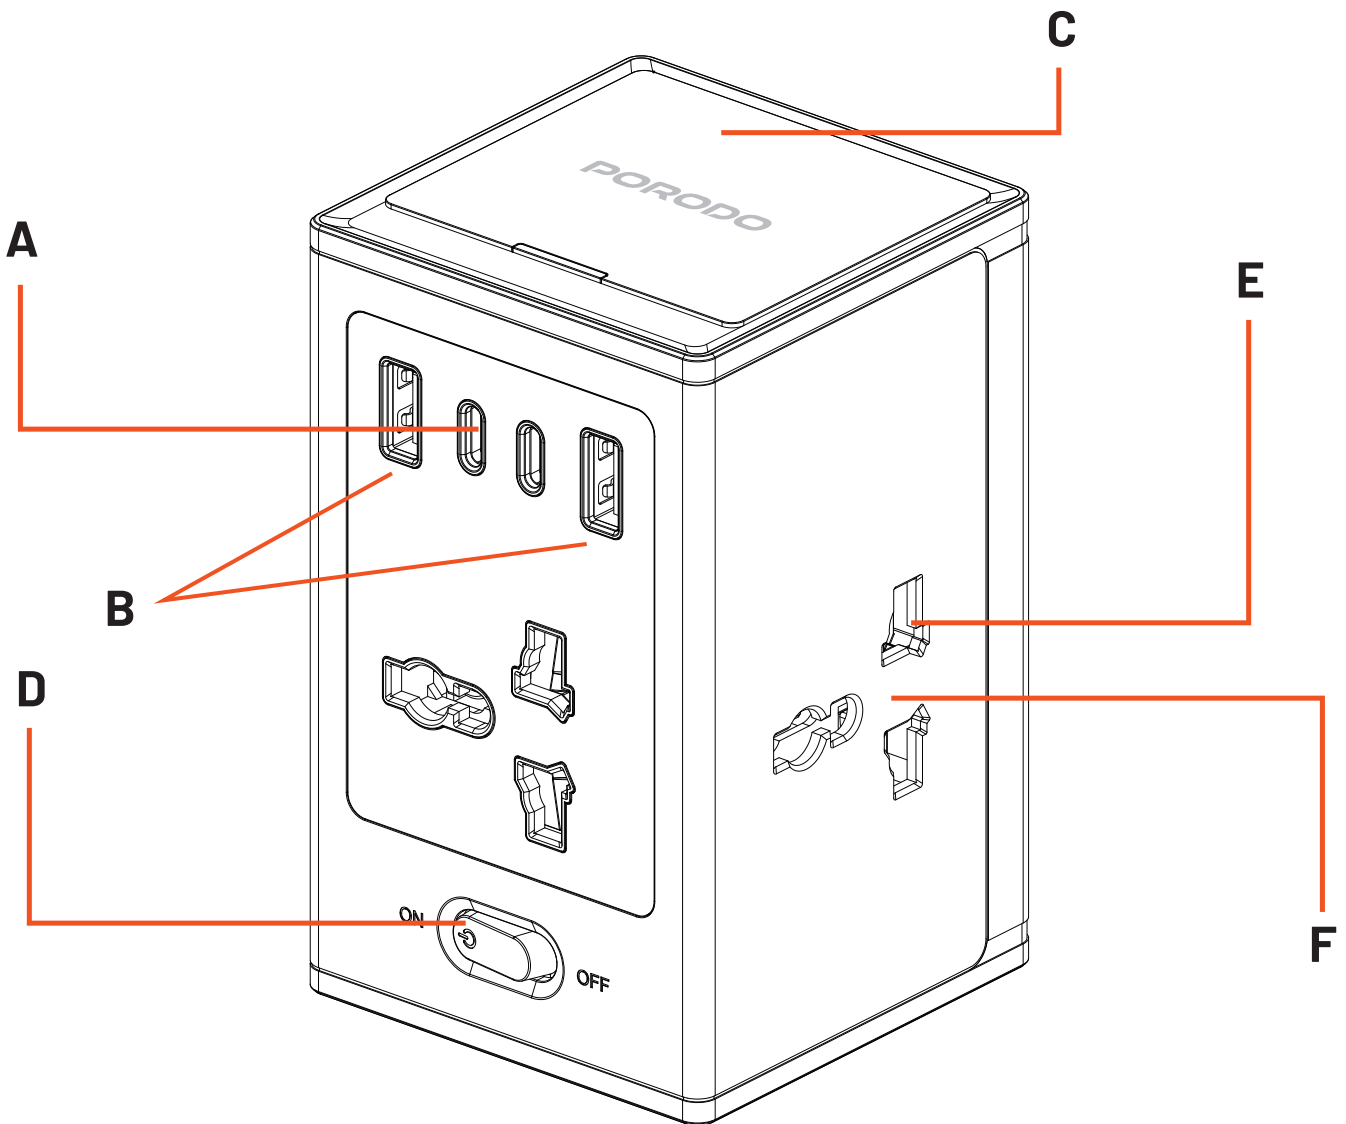

The Porodo Universal GaN Multi-Port Cube Adapter is the ultimate all-in-one power solution for your devices, offering fast and efficient charging. Featuring a compact design with four AC sockets and four USB ports (two USB-C and two USB-A), this adapter allows for simultaneous charging of multiple devices. It includes advanced GaN technology for superior power efficiency, a 30W PD fast charge for quick device replenishment, and a safety shutter for added protection. With a maximum power output of 2500W, this adapter is perfect for home, office, or travel use, ensuring you stay powered up wherever you go.

USB-C2 Output	5V/9V/12V/15V/20V, 30W Max
Product Size	67.6 x 68.1 x 110.2mm
Model Number	PDUNS8430

Product Design

A. 2 x USB-A

C. Surge Protected

E. Child Safety Protection

B. 2 x Type-C

D. ON/OFF Switch

F. 4 Gang Multipurpose Outlets

Safety Precautions

- 1.** Ensure that the total power of connected electrical appliances does not exceed the rated power of the product. Overloading can cause overheating and potential damage to the appliance.
- 2.** Always fully insert the plug into the socket. A loose connection can lead to electrical hazards or malfunctions.
- 3.** Avoid bundling or coiling the wire during use. Doing so can lead to abnormal overheating and pose a fire risk. Keep the cable free of knots and tangles.
- 4.** Do not use the product in damp environments. Exposure to moisture can cause electrical short circuits or compromise the product's safety.
- 5.** Keep the product out of reach of children. Ensure that children cannot accidentally come into contact with or operate the product.
- 6.** For repairs or maintenance, always consult a qualified technician. Attempting to repair the product yourself can lead to personal injury or void the warranty.
- 7.** If the product malfunctions or is damaged, stop using it immediately. Unplug the device and seek assistance from the manufacturer or a professional technician.
- 8.** Ensure that the product is placed on a stable, level surface to avoid tipping or potential damage.
- 9.** Regularly inspect the power cord and plug for signs of wear or damage. Replace any worn-out parts to maintain safety.
- 10.** Always turn off and unplug the product when not in use for extended periods to reduce the risk of overheating or electrical hazards.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Porodo** website or shop come with a 24-month warranty.

When you buy **Porodo** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at **porodo.net/warranty** and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
